SENTINEL 72

Randy:
It's really been great having you in the same math class! I think you are a crazy boy (but cute). Thanks for being my friend. Best of luck in the future. Hope to see ya next year.

Love always,
Sean

Very good reader
of (Magazines) Best
Wishes. Enjoyed
Ya! Hate
(Librarian)

Thanks for asking me to sign your book. I hope this means we are still friends! Really I do think a lot of you!

Love,
Ruth H. Bond
Librarian

The word, rebel, seems always to be related to the Confederate forces in the War Between the States. In the case of the Groves High School Rebels, however, the connection is made with the revolt of the Scots. In honor of Mr. Robert W. Groves, Sr., after whom the school was named, we were established as Scottish Rebels. The Scotsman on the cover of the 1972 Sentinel is, therefore, indicative of the Groves High Rebels

We've Only Just Begun . . .

Randy,
This year has been a great year of
really been next year. I hope you are
one and I just as great. You
will be young beautiful person
enjoyed being this year. Some
your classes and keep
a very good
good luck
next year.
Love,
Chris Ritchie

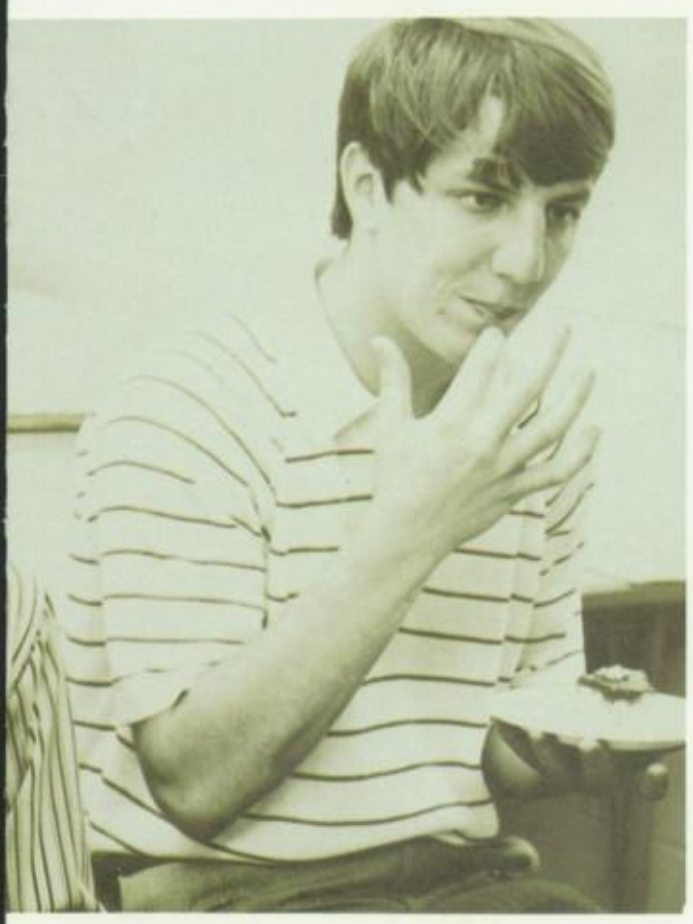
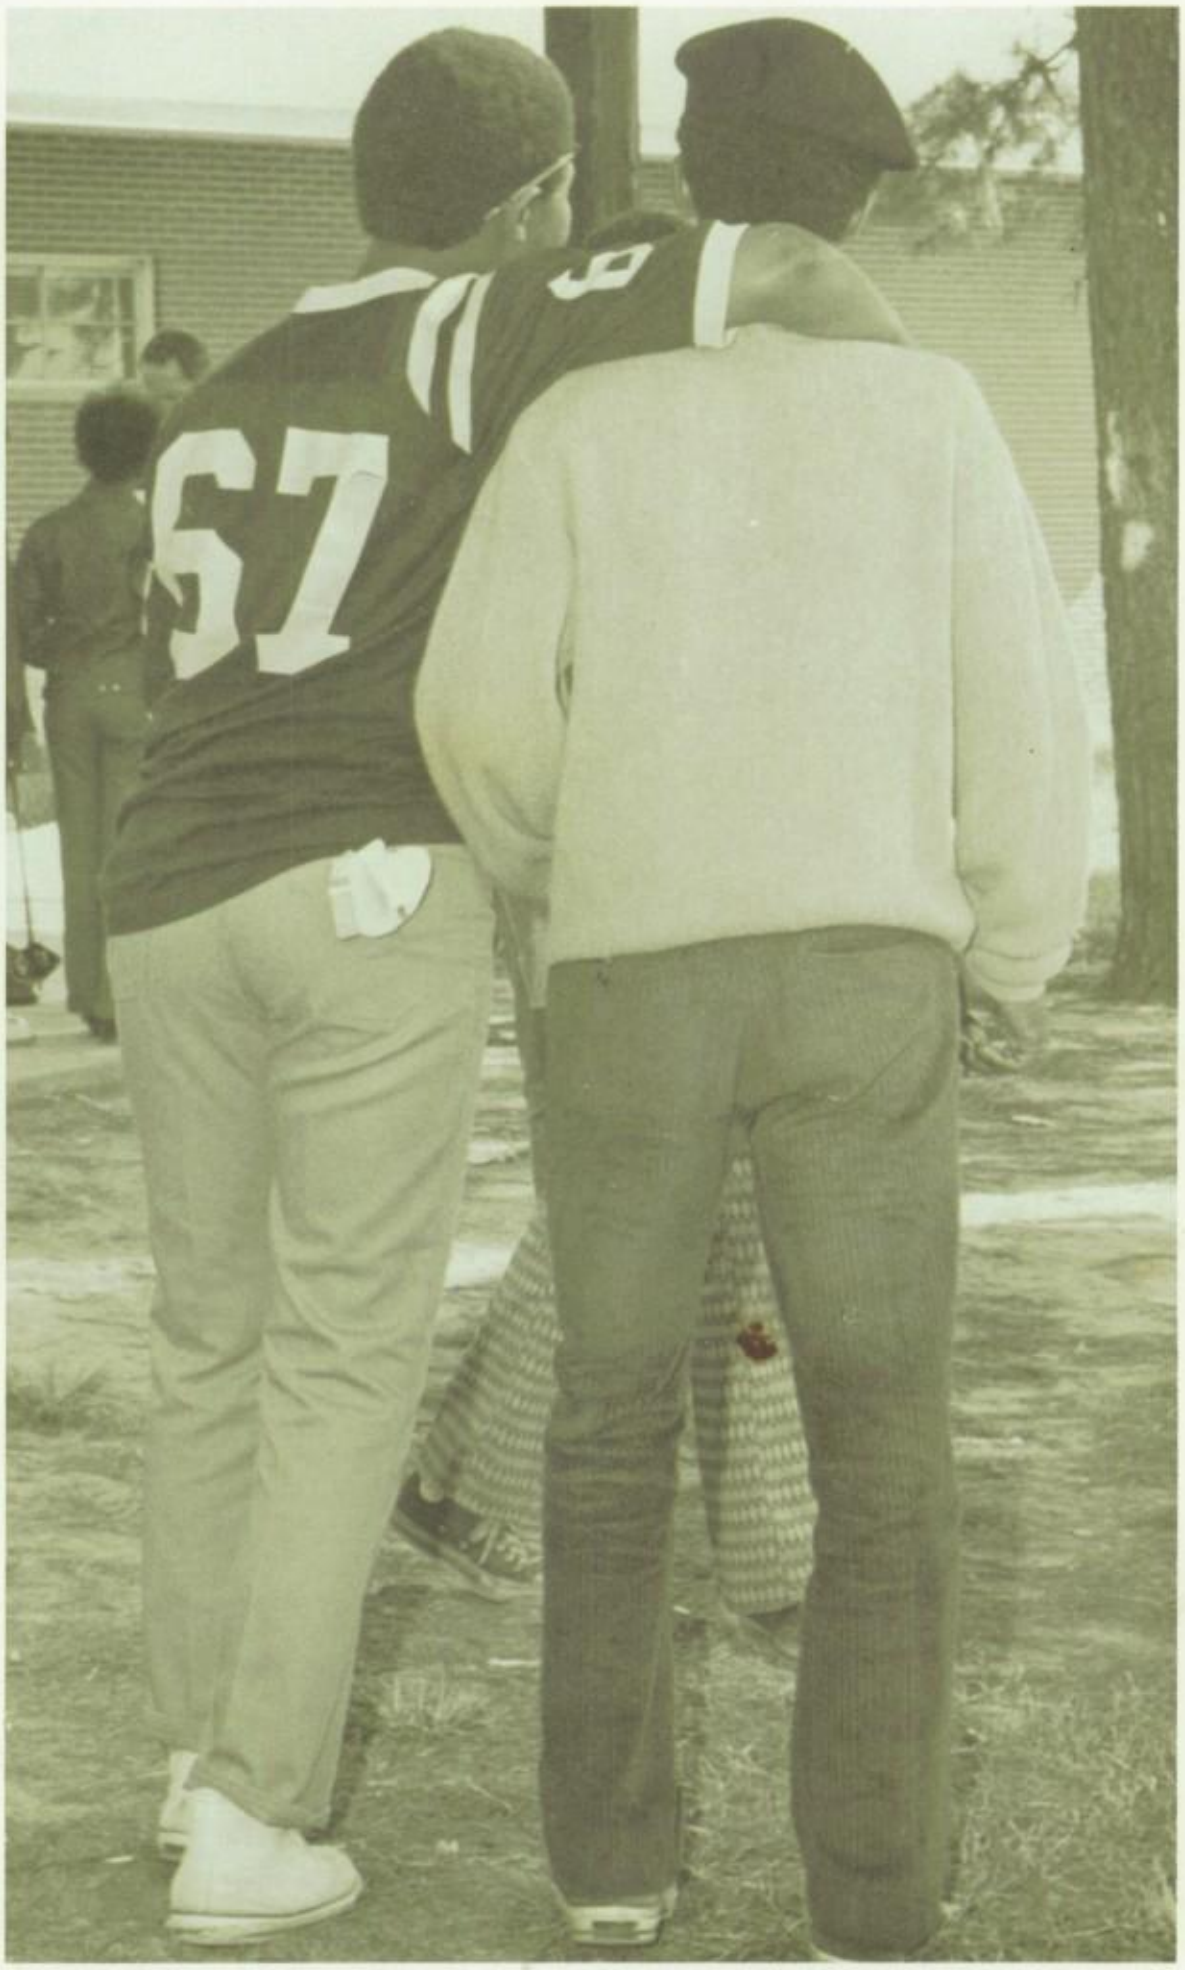
Working Together Day To Day . . .



. . . *Together*



We Dedicate The 1972 Sentinel To Mr. Ormonde Lewis

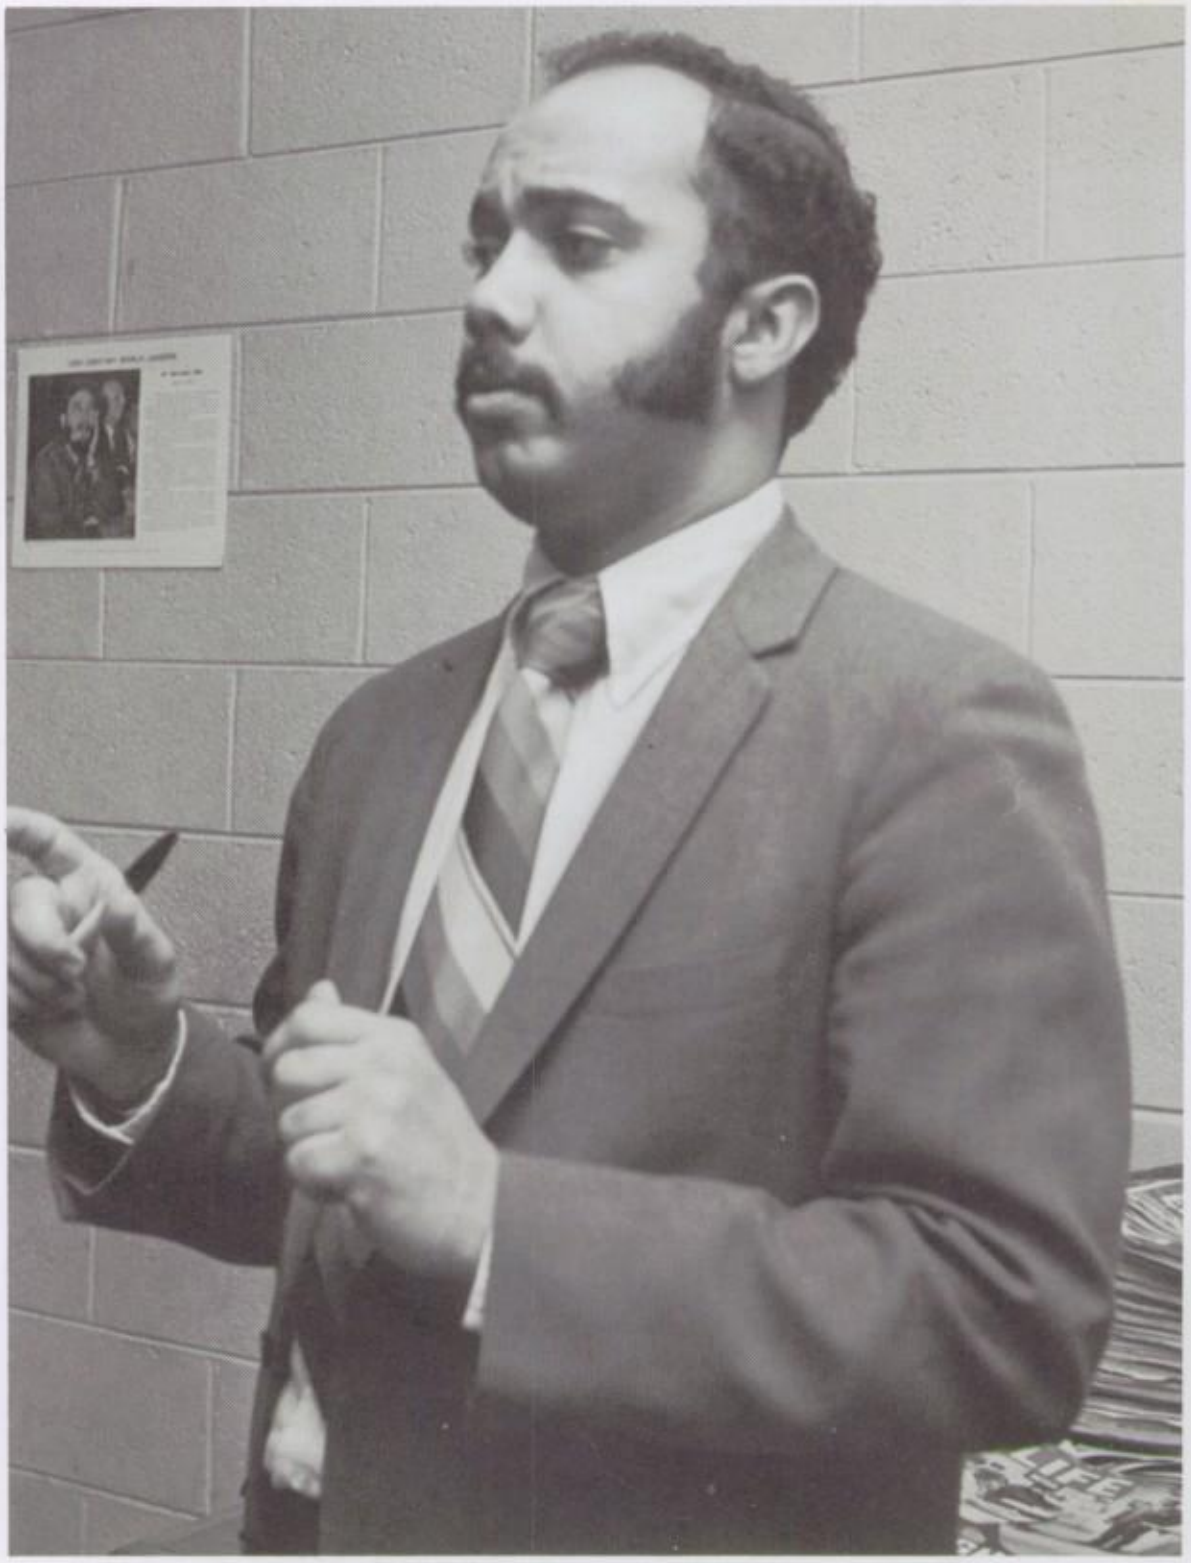
A gifted person, a distinguished leader, a friend to all — these were the thoughts of the 1971-1972 *Sentinel* staff as they made their selection for dedicatee.

Mr. Ormonde Lewis is a unique blend of these qualities. He is admired and respected not only by his students, but also by his colleagues. He is certainly a fountain of wisdom, ever flowing forth his knowledge with adeptness and decorum.

Graduated from Savannah State College with a BS degree, Mr. Lewis presently teaches world history, contemporary problems, minorities, and economics and advises the Beta Club.

His contributions to Groves are adequate proof that he is concerned about the quality of education and the guidance of the lives of Groves' students.

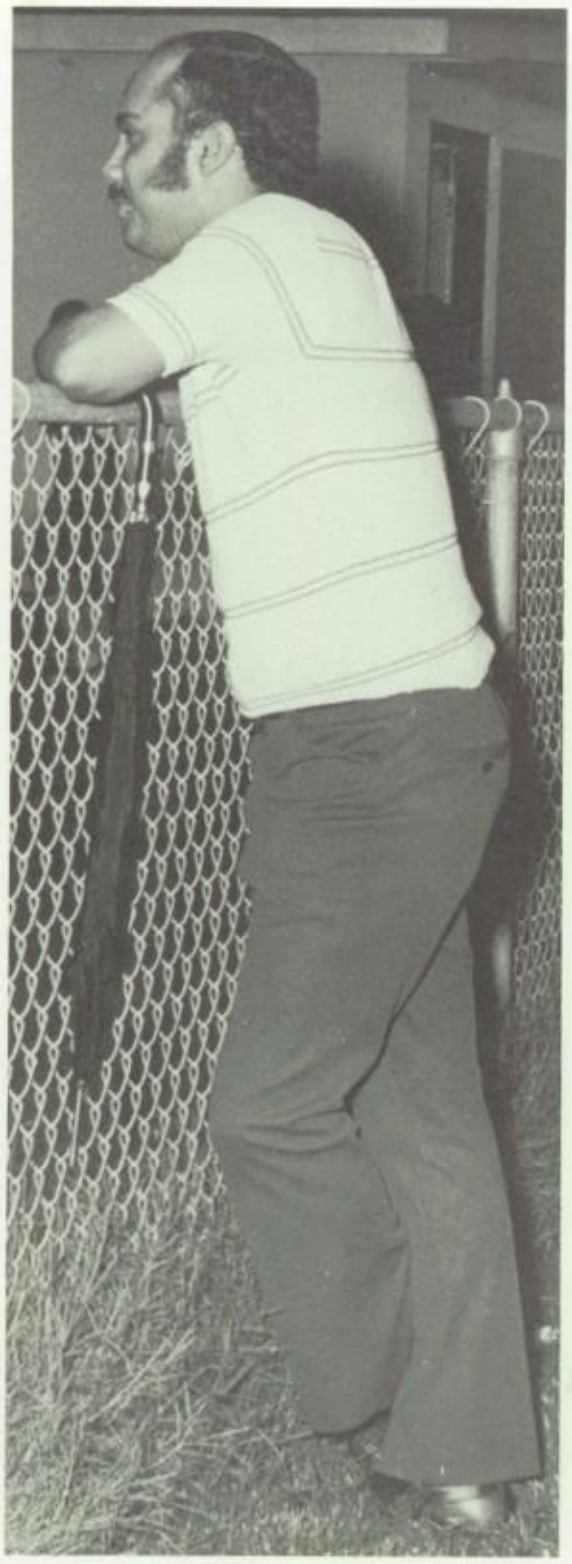
The *Sentinel* staff, therefore, wishes to recognize and thank Mr. Ormonde Lewis for being their outstanding young educator for 1972.



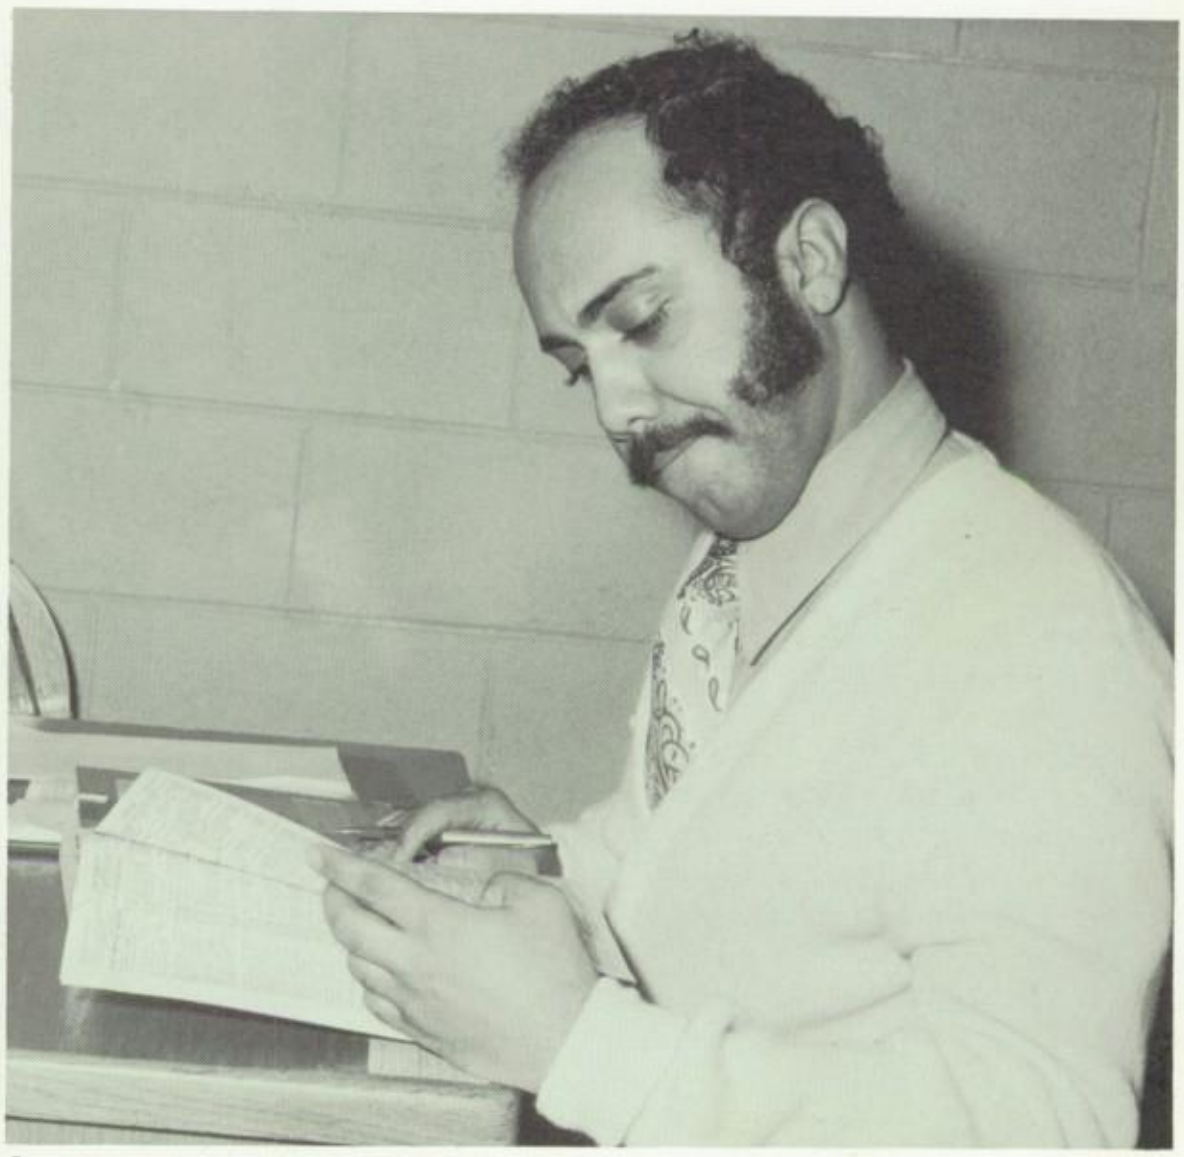
A

F

A. Mr. Lewis's main purpose at Groves is to instruct his students. B. His knowledge of football enables Mr. Lewis to find humor in the game. C. Much of sixth period is spent by Mr. Lewis on the telephone. D. The "king of corn" can make a joke of everything, including work which, according to him, is a four-letter word. E. Mr. Lewis plays an outstanding role in the induction ceremonies of the Beta Club. F. An avid sports fan, Mr. Lewis can be seen at every Rebel game.



B



C

E

D

Mr. & Miss Sentinel --The Ideals

Two of the highest titles to be bestowed on students at Groves are Mr. and Miss Sentinel. They are given to the two seniors who are considered the ideal Rebels. Ten finalists were chosen by the senior class for the honors.

February 23 was the date set for the final judging. This year's judges were Mr. Jack Handy, Mr. Lucius Levett, Miss Julia Roberts, Miss Carolyn Bryan, and Rev. Sammy Clark. Each contestant was judged on poise, appearance, and ability to formulate and express ideas. A coffee was held in the Georgia Room of the library for judges and contestants alike.

For the second consecutive year, Mr. and Miss Sentinel were chosen by averaging the senior class and faculty votes with the judges' decision. Our congratulations go out to the 1972 Mr. and Miss Sentinel for their outstanding personalities.

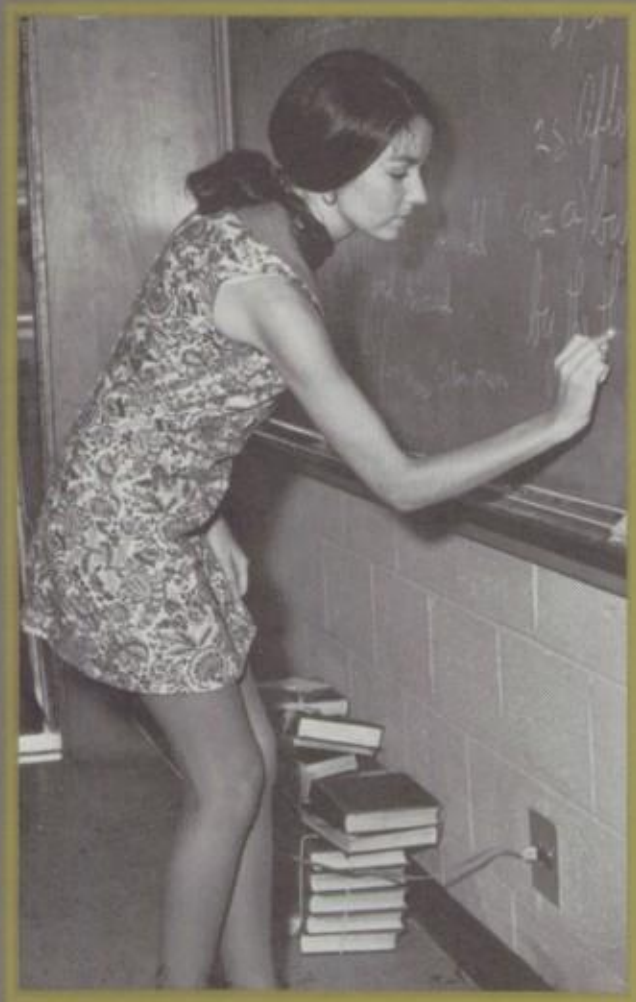
Mark McCormick and Pat Teaford, Mr. and Miss Sentinel.

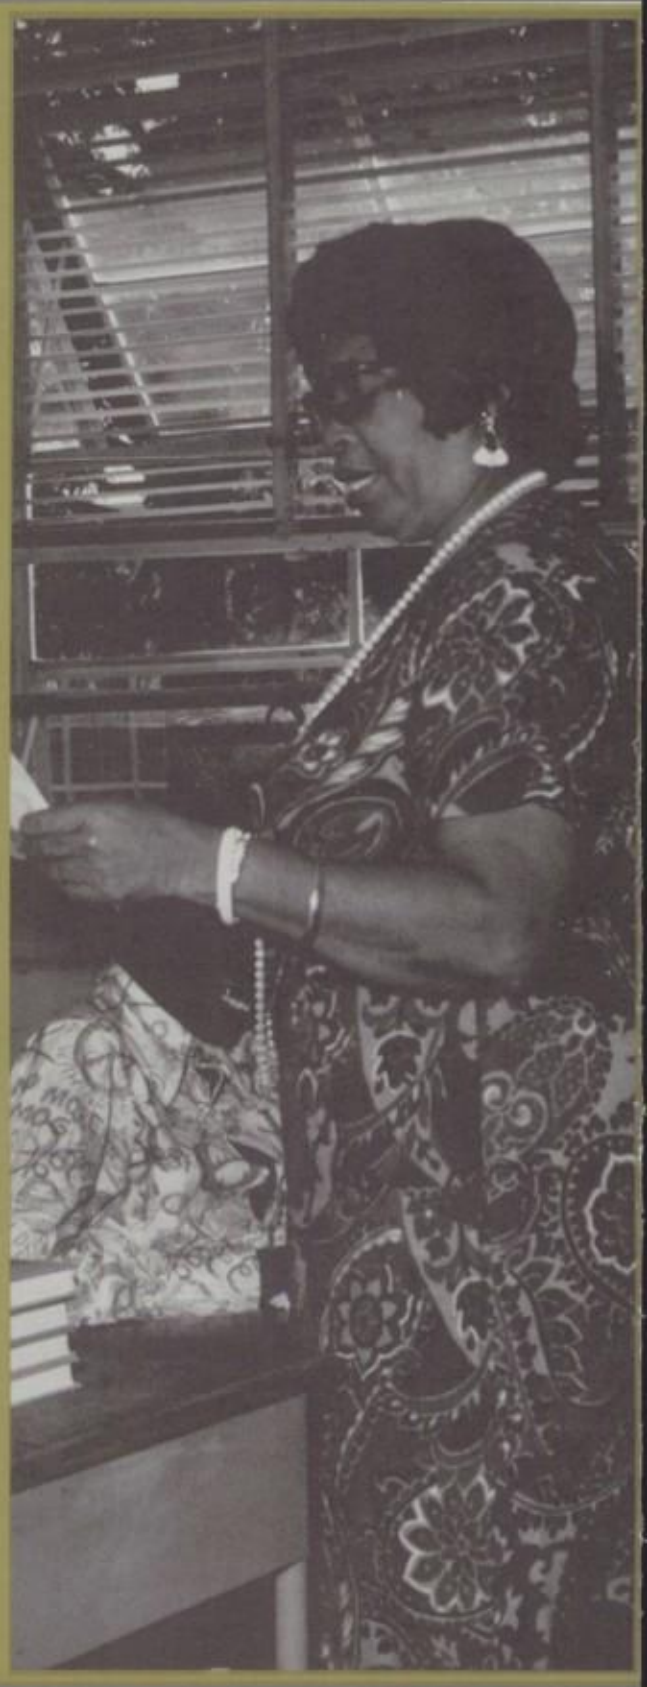
A

B

A. First runners-up, Dale Williams and Henry Moore. B. Second runners-up, Velma Kessler and Eric Holmes.

ABOVE: MR. AND MISS SENTINEL CONTESTANTS: SEATED: Russell Bright, Velma Kessler, Pat Teaford, Henry Moore, Jackie Jackson, Charles Turner, Dale Williams. STANDING: Eric Holmes, Mark McCormick, Susan Kessler.





HIGH SCHOOL
ECTORY

Randy (RAT) Well you finally made it to Groves. I'm glad you did cause whenever I see your smiling face in the hall it makes me feel good. You're one of my favorites. That's why I love ya so much. Stay as sweet and as cute and nice, wonderful as you are now and you'll always be on top. Never forget elementary, Jr. high, and High. O.K.

Love ya!
marilyn

CURRICULUM

It has been said that Groves has one of the most well-rounded curricula in the system, ranging from the most basic to the most advanced high school courses. Of Course, it takes a well-educated instructor to get the material across to the students. Without a doubt, the GHS faculty have done fine jobs!

Big Man On Campus

For the third time in two years, the leadership of Groves passed into the hands of another man.

Although Mr. Adam R. Andrews was a stranger to Groves, he was not unknown to the majority of the students. He came to us from Mercer Junior High School where he held the position, which he now maintains at Groves, for seven years.

Since this was his first year at Groves, we realized mistakes were bound to be made; however, with the cooperation of the faculty and the entire student body, this year was another of the many truly great ones in the history of Groves.

A

B

A. Mr. Andrews performs one of his many duties. B. Pam Deloach and Mr. Andrews stand "in waiting" for the crowning of the queen.

A

B

C

A. Mr. Andrews helps many of the students with their problems. B. The principal has a conference over the phone with a parent. C. Mr. Andrews prepares to make a call.

Groves Moves With Speed

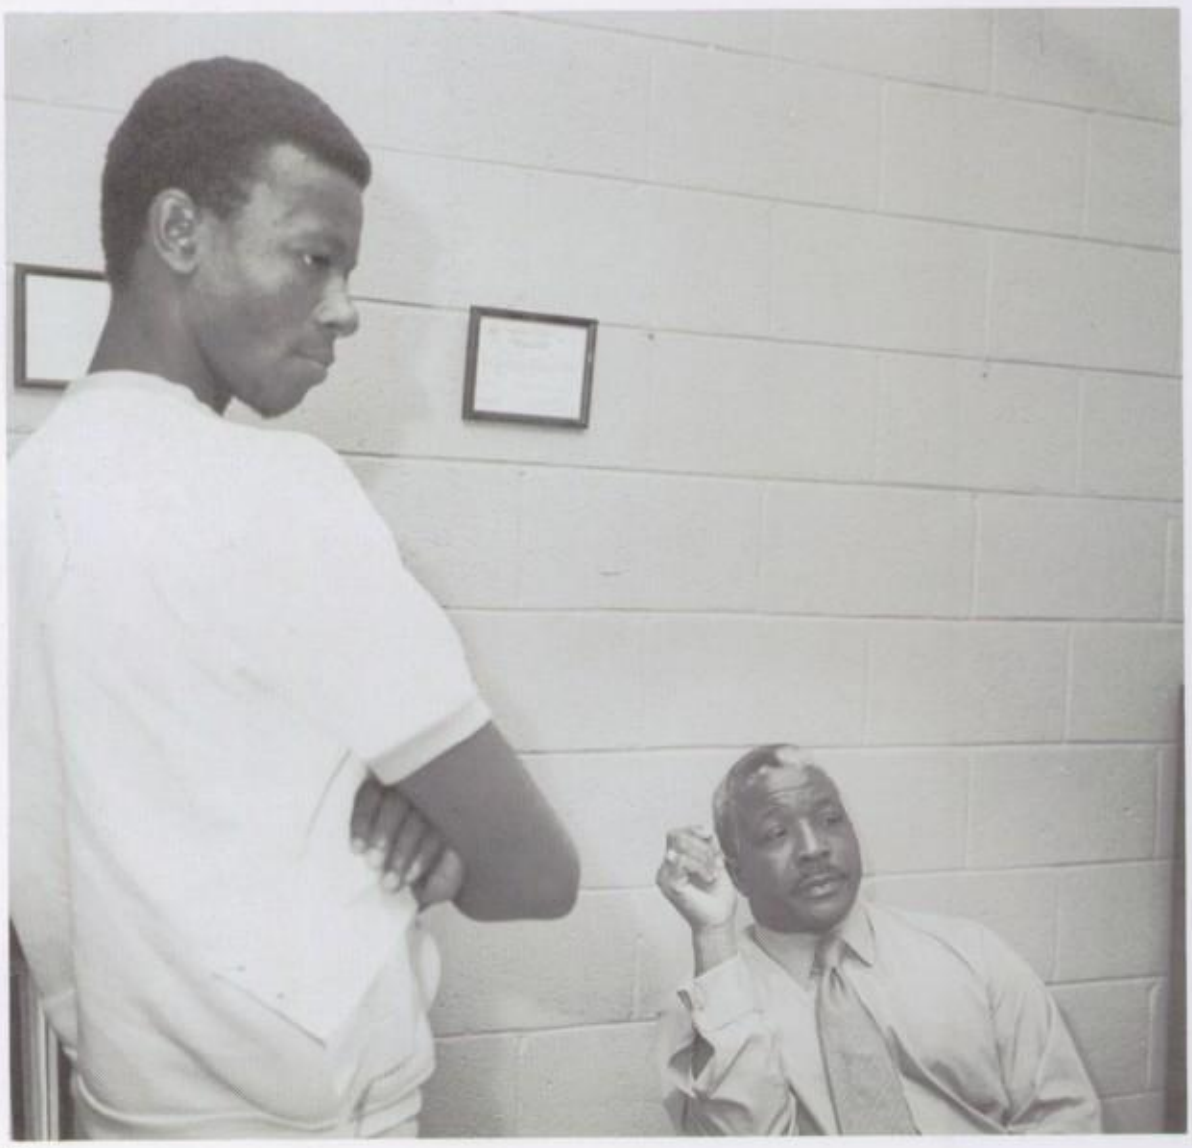
Labeled as a man who really gets around, Mr. Alexander Speed helps out in many ways around the school. You can usually find Mr. Speed behind a desk, handling student problems, or just wandering around making sure that everything is under control.

A man with a large job, many problems, but few complaints, Mr. Speed is a true Rebel!

B

D

A



C

Mr. Speed can be seen throughout the school carrying out his many functions. A . . . talking with students. B. . . . pulling bus patrol duties. C. . . . talking in the office with parents and students. D. . . . Patrolling the halls.

Jobs They Do, Get Done

A

C

The work may come hard, the hours may be long, but the school secretaries never fail to do excellent jobs.

The secretaries often work behind the scenes performing their various jobs. Each of them has a new IBM electric typewriter to help her complete her work with speed and accuracy. Their diligent works place them high on the list of most appreciated people here at Groves.

B

A. Mrs. Smith works hard and long typing business letters before, during, and after school hours. B. Mrs. Blount takes time out of her busy schedule to strike a pose. C. Mrs. Starling receives instructions on verifying absences.

A Smile And A Helping Hand

Where would one be without a smile behind all that hard work and those tense moments?

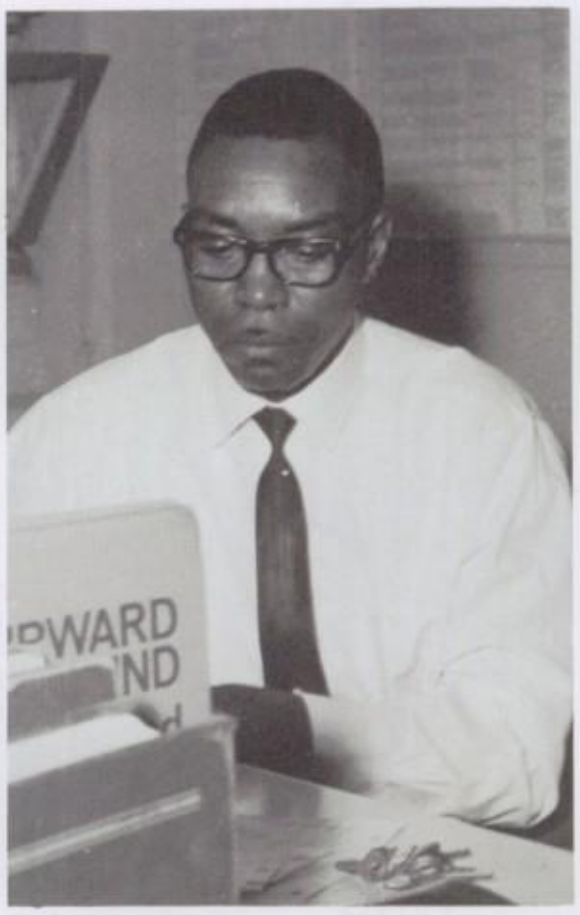
This question is an unnecessary one at Groves. Our counselors are always there to lend a helping hand or a simple, reassuring smile. Filled with enthusiasm and dedicated to the school, they put their "all" into the job.

Helping students with problems and deciding on careers are only small parts of what their jobs consist.

Since there are only two counselors this year to handle the students' many problems, they have been blessed with a private secretary, who helps them several days a week.

Where, indeed, would we be without them?

B



D

A

C

A. Concentration and a lot of patience help Mr. Gwyn through the day. B. Mrs. Thomas checks the records before they are filed. C. Mrs. Thomas works with her secretary, Mrs. Fussell, to place student information bulletins in their proper space. D. "Will I ever reach the end of this work?!"

Amateur Art -- Fantastic

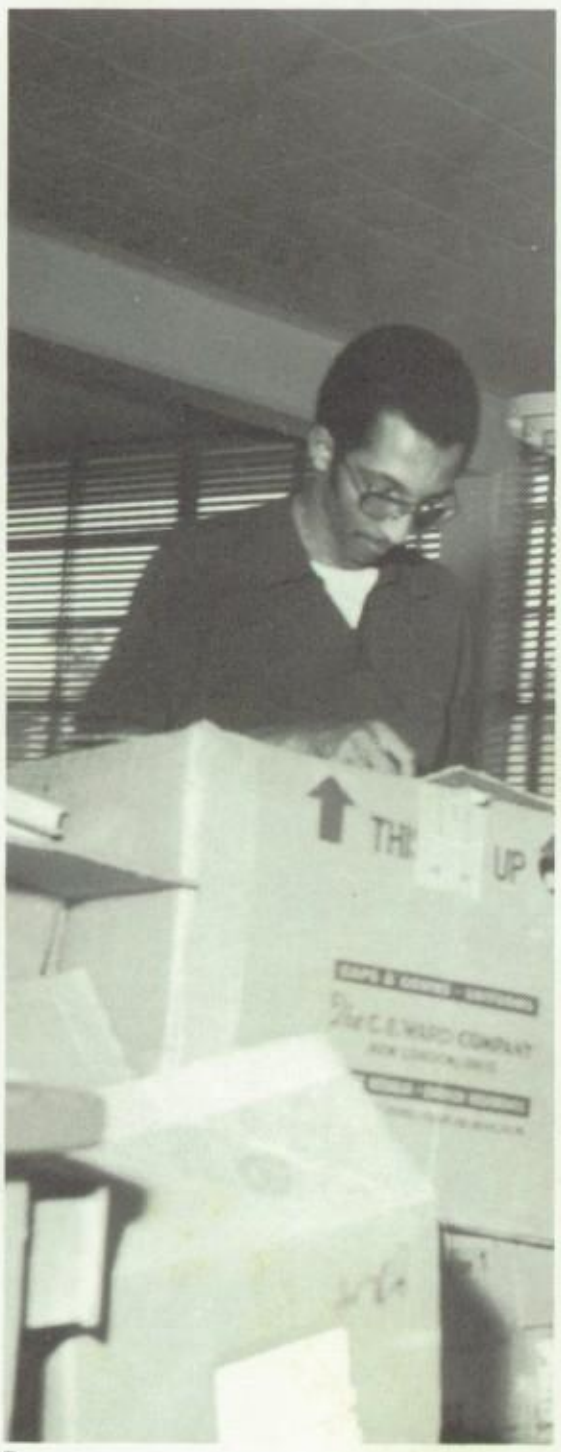
A

Learning how to express oneself through his drawing is not a difficult job, especially for the students who take art at Groves.

They are taught by Mr. Robinson, who does a fantastic job in his work and tries to pass his qualities on to his students.

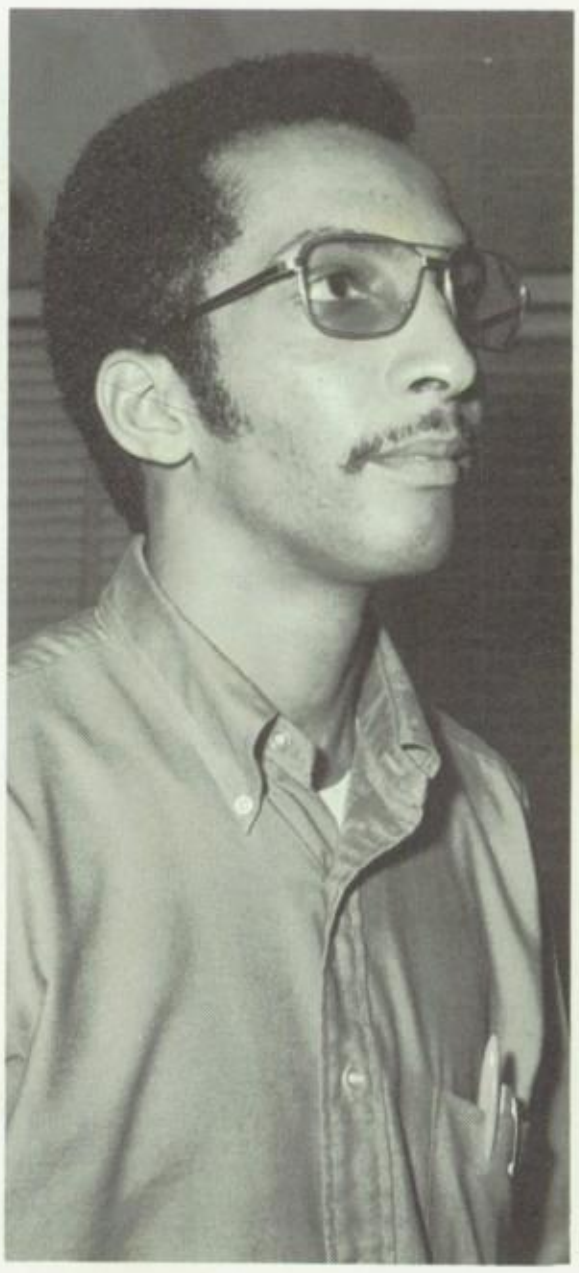
The students are taught to be colorful and to express their inner feelings through their work.

To be amateurs the work which they do is outstanding; these students deserve full credit for their roles in helping to create a more artistic tomorrow.



B

C



D

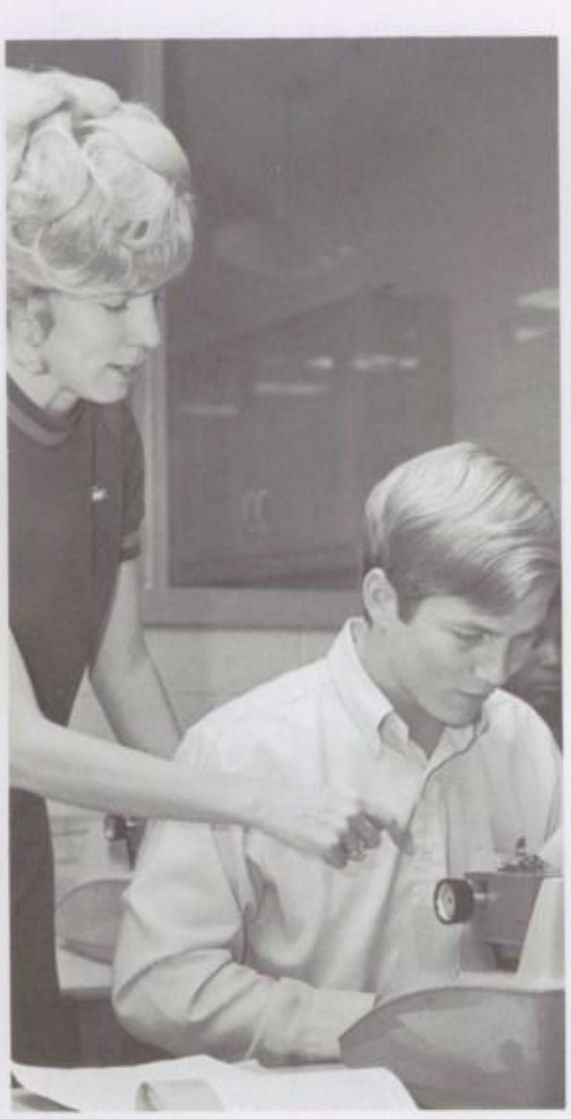
A. Mr. Robinson helps his students in every way possible; he seems to enjoy helping Carl Gunter. B. Unpacking new art materials is quite a thrill. C. Setting up a scene for his students to paint is part of everyday activities. D. . . . A moment of peace for a busy man.

"Charge Up" With Business

Many Rebels think of wing three as the typing wing. The Business Department, however, has a much broader curriculum than one would imagine from hearing the pitious pecking, rapid tapping, and vibrant beating noises. The selection of courses includes Bookkeeping I, clerical office practice, Shorthand I and II, as well as Typing I and II.

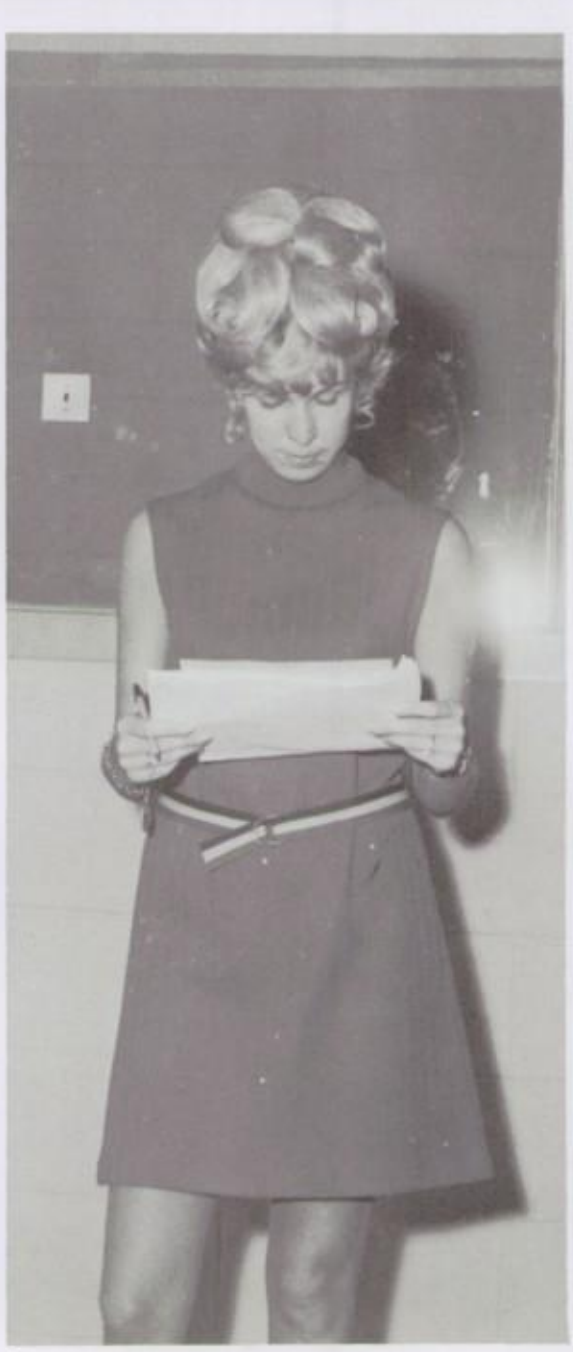
A new "charge" was brought to the Business Department this year with the addition of twelve electric typewriters and eight adding machines. The new equipment is "currently" in use in Room 23.

B



A

C



D

A. Mrs. Jones helps Rodney Rogers with a typing problem. B. To help her students, Mr. Dekle discusses each chapter before assigning work. C. Mrs. Johnson redistributes papers. D. The trouble with tests is that they have to be graded!

A

The Action's Where The Money Is

Each year there are a greater number of students who take advantage of the work program offered at Groves. DCT helps a student to know how to function in the world of work. The pupil also receives credit for work experience under this program.

B

C

A. A moment of rest and friendly conversation is just what Mr. Henderson needed after registration day. B. Mr. Henderson is always willing to help his students. C. Wendell Lovett finds Mr. Henderson's experienced help invaluable.

Valuable Producers

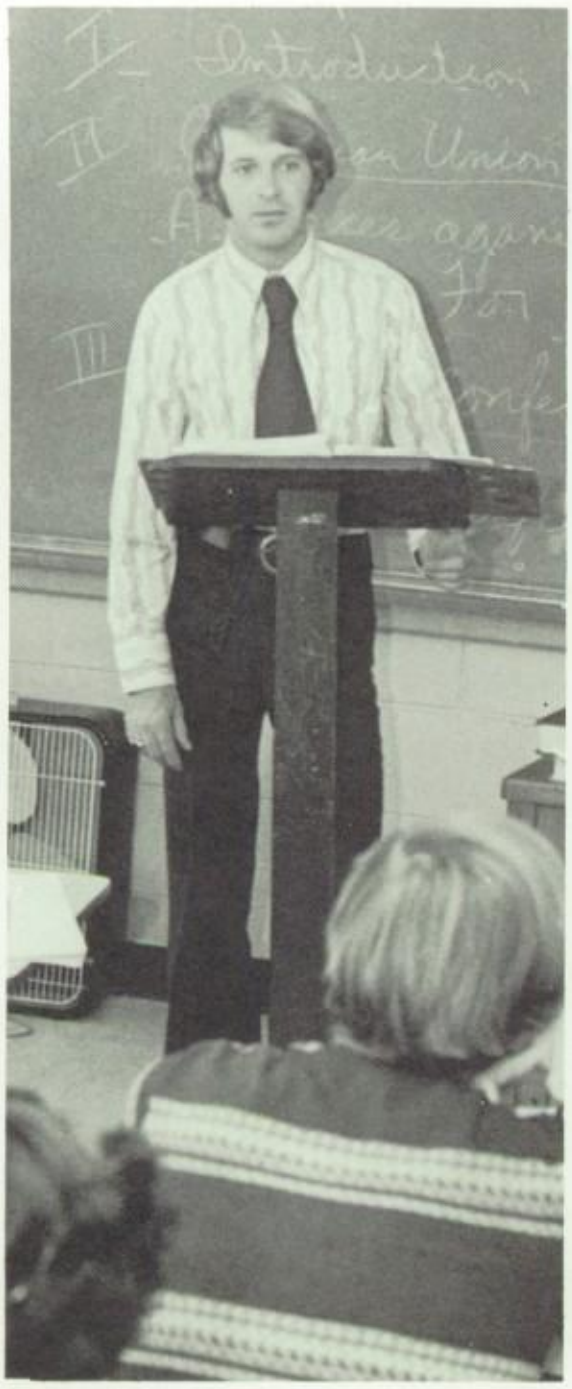
The Industrial Arts Department includes woodworking and mechanical drawings. Pupils are taught that they must be exact in this field. With the help of the teachers, fine equipment, and inborn talent, lovely works are produced of which the makers can always be proud.

A

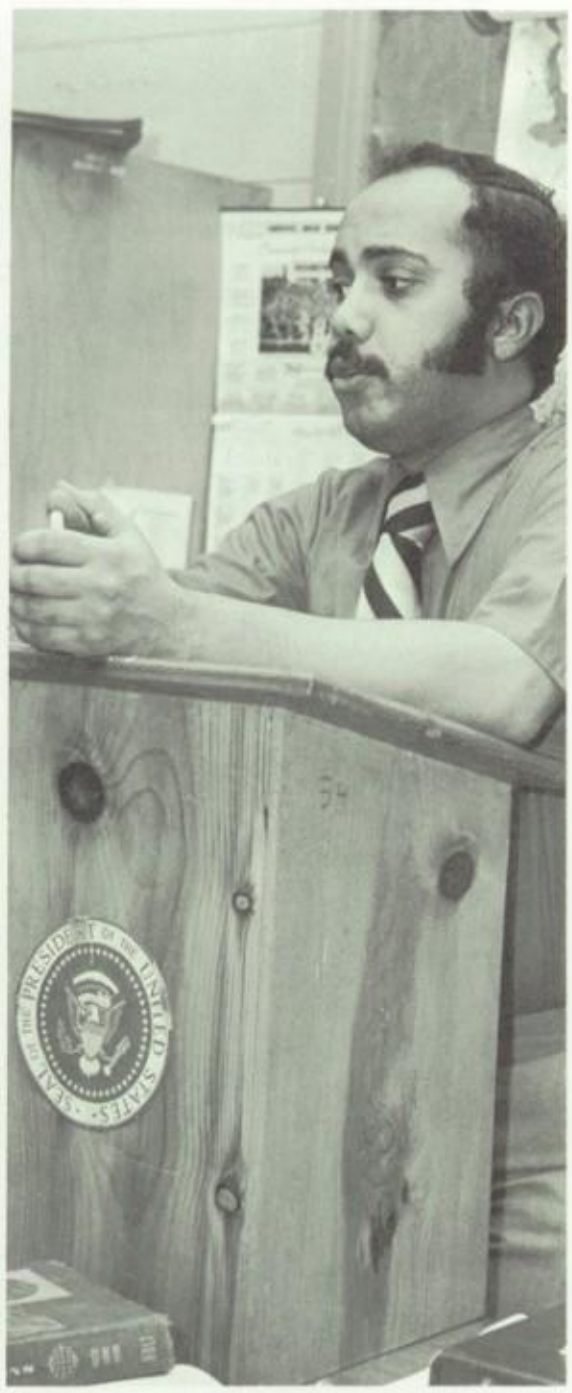
B

C

A. Mr. Schroeder assists a student in completing a drawing. B. Mr. Barner works to repair the planer. C. A moment of rest will allow Mr. Barner to complete the job accurately.



A



C

B

From The Past . . .

With the many qualified teachers and the wide variety of courses, Groves is indeed fortunate to have one of the finest history departments in the county. Historical facts from the Ice Age to the Space Age are taught at Groves.

This year a new subject was added to the department; the course, experiences of minorities, helps to make the students aware of the growing minorities in the United States.

A social science course, psychology, teaches the students to take an interest in their minds and the minds of others.

Everyone has an interest in history, as one's own life is a historical record — from the past to the present.

A. Mr. McCullough gives his students time to catch up on their notes before he continues lecturing. B. Mr. Gayheart checks roll before beginning class. C. Leading and listening to a discussion are parts of what make Mr. Lewis' class interesting.

. . . To The Present

A

B

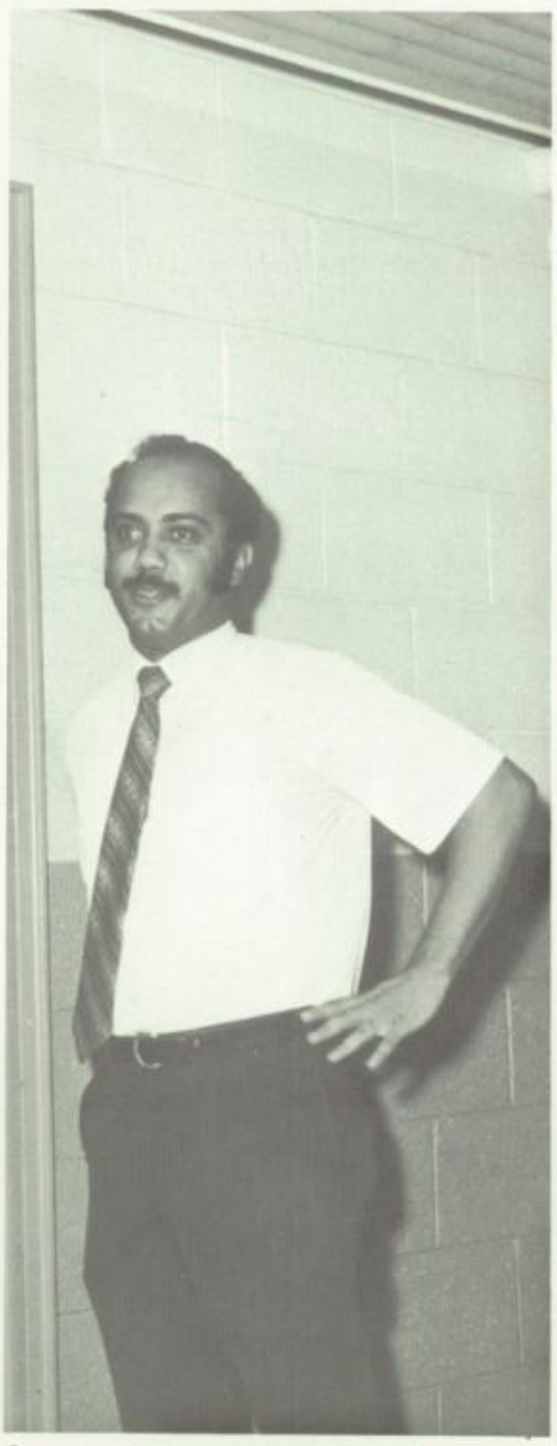
C

A. Mrs. Herrington makes it as easy as possible for herself and her students. B. Pupils take notes rapidly as Mrs. Redden lists fact after fact. C. While his class is busy, Mr. Hart records grades. D. Coach Brady puts his class to work decorating for homecoming. E. Mr. Hart's camera-shy pupils were unable to get out of the picture. F. A teacher who is well liked, Coach Gayheart gives ear to his classes. G. Mr. Lewis patrols the hall during change of classes to keep order. H. Mrs. Herrington reviews her notes before lecturing.

D

E

F



G

H

An Egg Or A Stitch

Pots and pans, pins and needles — these are vital materials which are used each day in the home economics department. Learning to sew and cook prepares the young ladies for a bright future as tomorrow's homemakers.

Whatever your cup of tea may be, you can always find something to suit you in the home economics department.

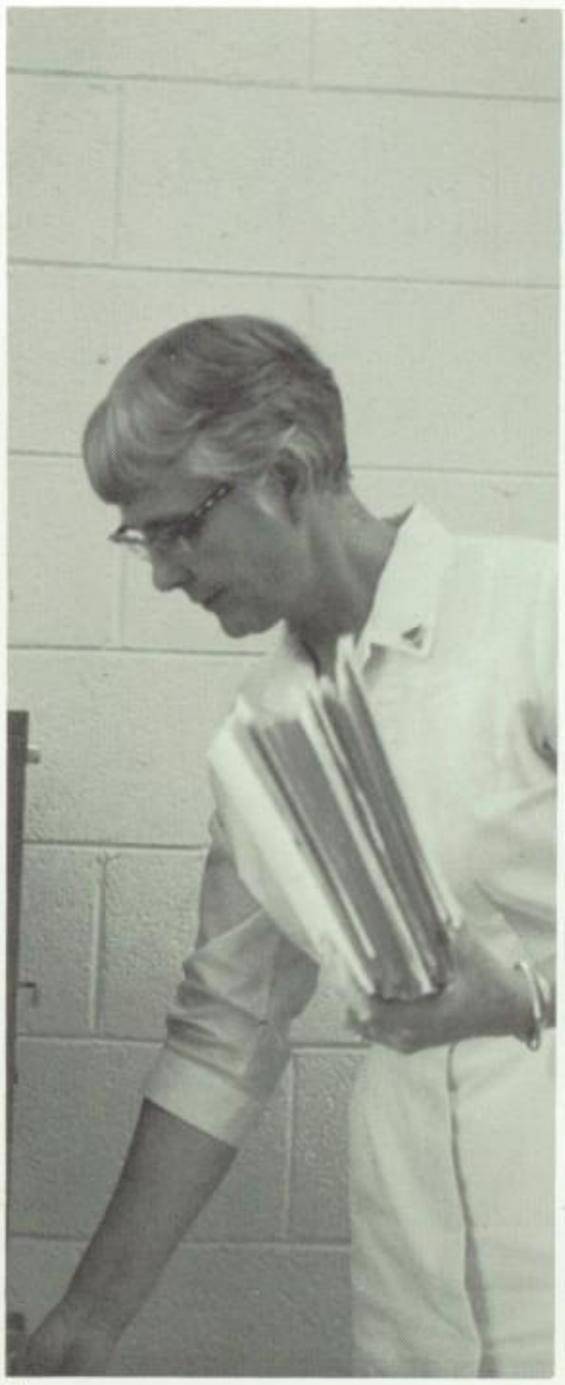
A

B

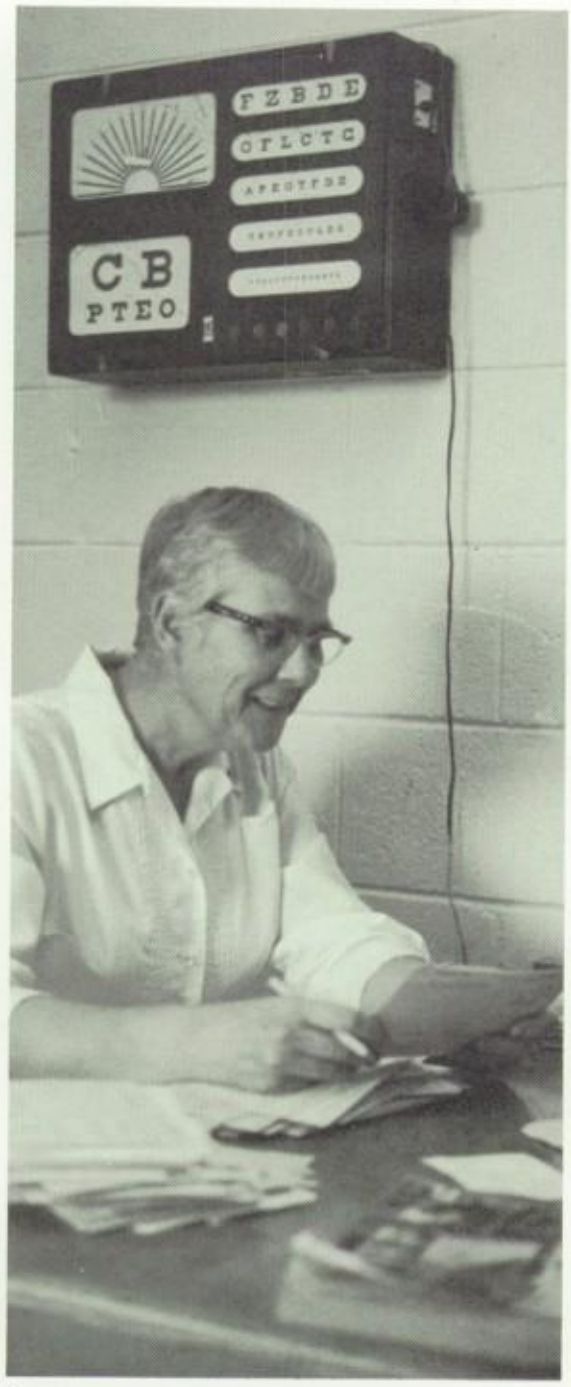
D

C

A. Mrs. Waller is almost ready to show her film on home economics. B. Mrs. Latzak helps her students choose patterns to suit their tastes. C. Nadine Mason cooks up a "steam" as she prepares her meal. D. Debbie Lamkin tries to find a pattern she likes.



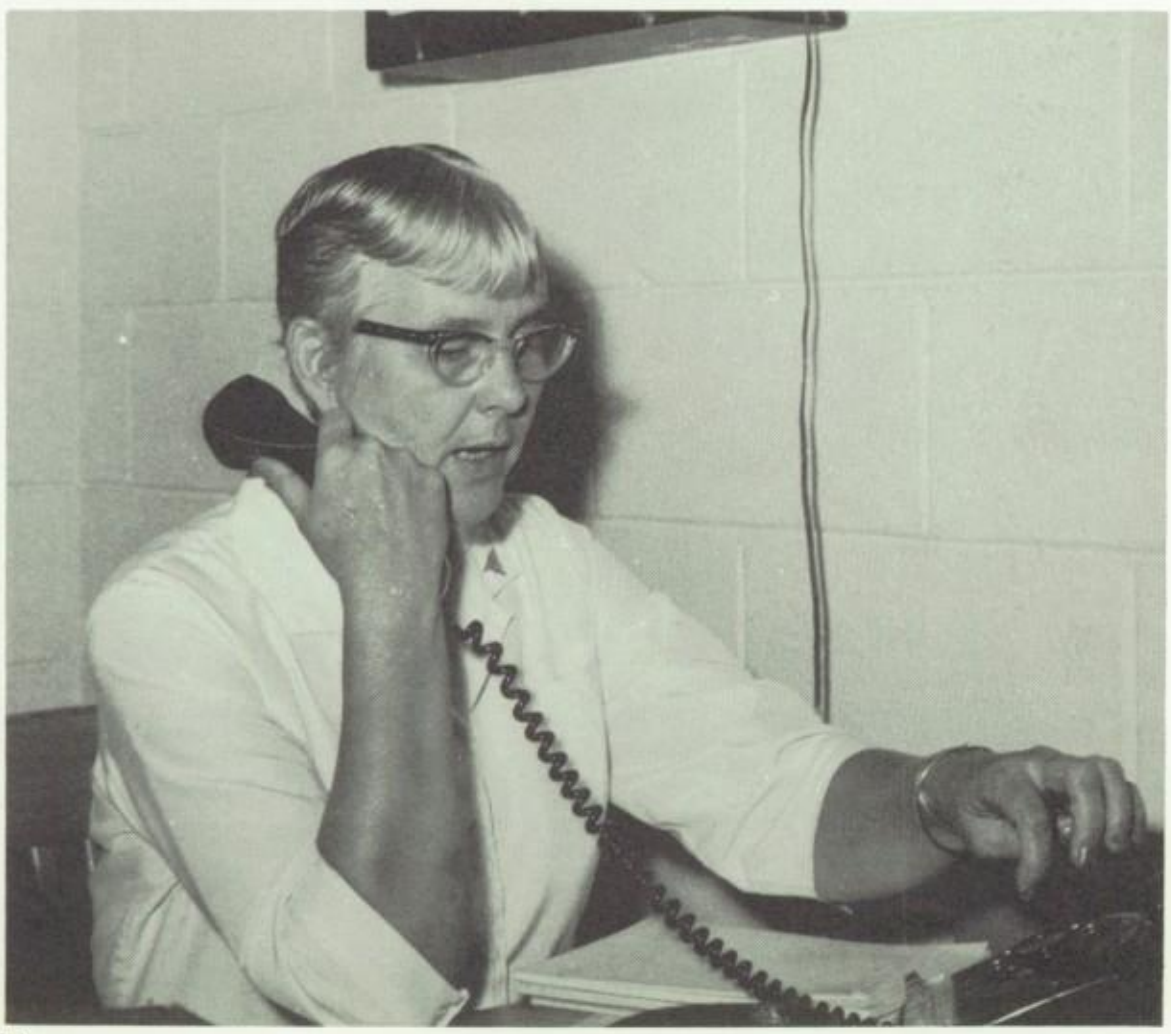
A



C

What's Your Problem?

"Does it hurt and have a temperature?" If so, the place for you is the infirmary. The school nurse, Mrs. Reiser, will see that you are fixed up and back to class before the day is over. The students are very thankful for the fine job Mrs. Reiser performs, and also for her patience which seems to never reach an end.



B

A. Using the telephone, Mrs. Reiser takes care of her many jobs and part of the school's. B. Spending the day filing records doesn't exactly make Mrs. Reiser happy. C. "The Great Healer" seems to think that someone has a rather comical problem.

United -- We Are One!

All Rebels are united by a course which they all have in common — English.

Author information, sentence structure, and famous quotes are only a few of the things that we Rebels are taught in the English department.

With the most interesting courses found anywhere, the department was made even better when several new subjects were added this year. They were drama, speech and debate, PVT, and reading.

Teaching students how to speak well is a big job, but it is carried out very well by the many qualified English teachers here at Groves

B

C

A

D

F

G

E

A. Students prepare to take notes as Mrs. Rogers begins her discussion. B. Mrs. Pippen takes time to answer a question for an interested student. C. Mr. McCullough displays an outstanding example of speaking form. D. This sight of Mrs. E. Johnson standing behind her lecturn conducting class is a familiar one for anyone who has taken a course under her. E. Miss Ackerman can always manage a smile early in the day as she reviews her notes. F. Confused students receive help from Mrs. Rogers. G. Miss Newsom's usual manner of teaching is to sit at her desk and lecture.

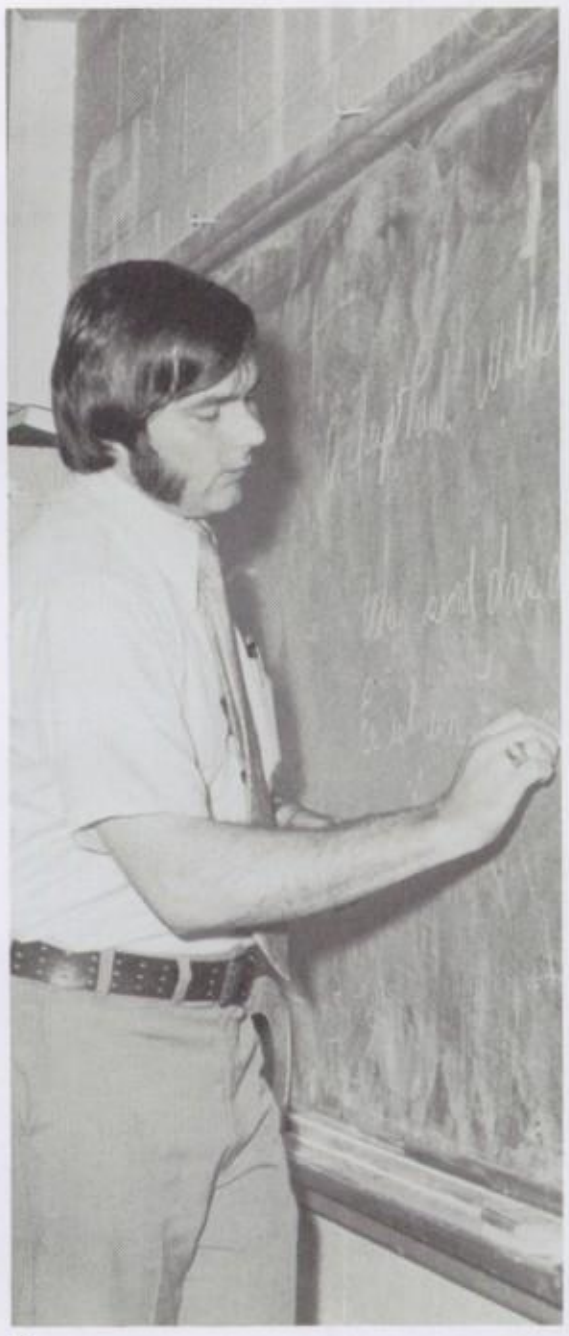
Hola, Bonjour, Guten Tag!

If you are planning a trip to France, Spain, or Germany, you can learn the tongue you need in the foreign language department.

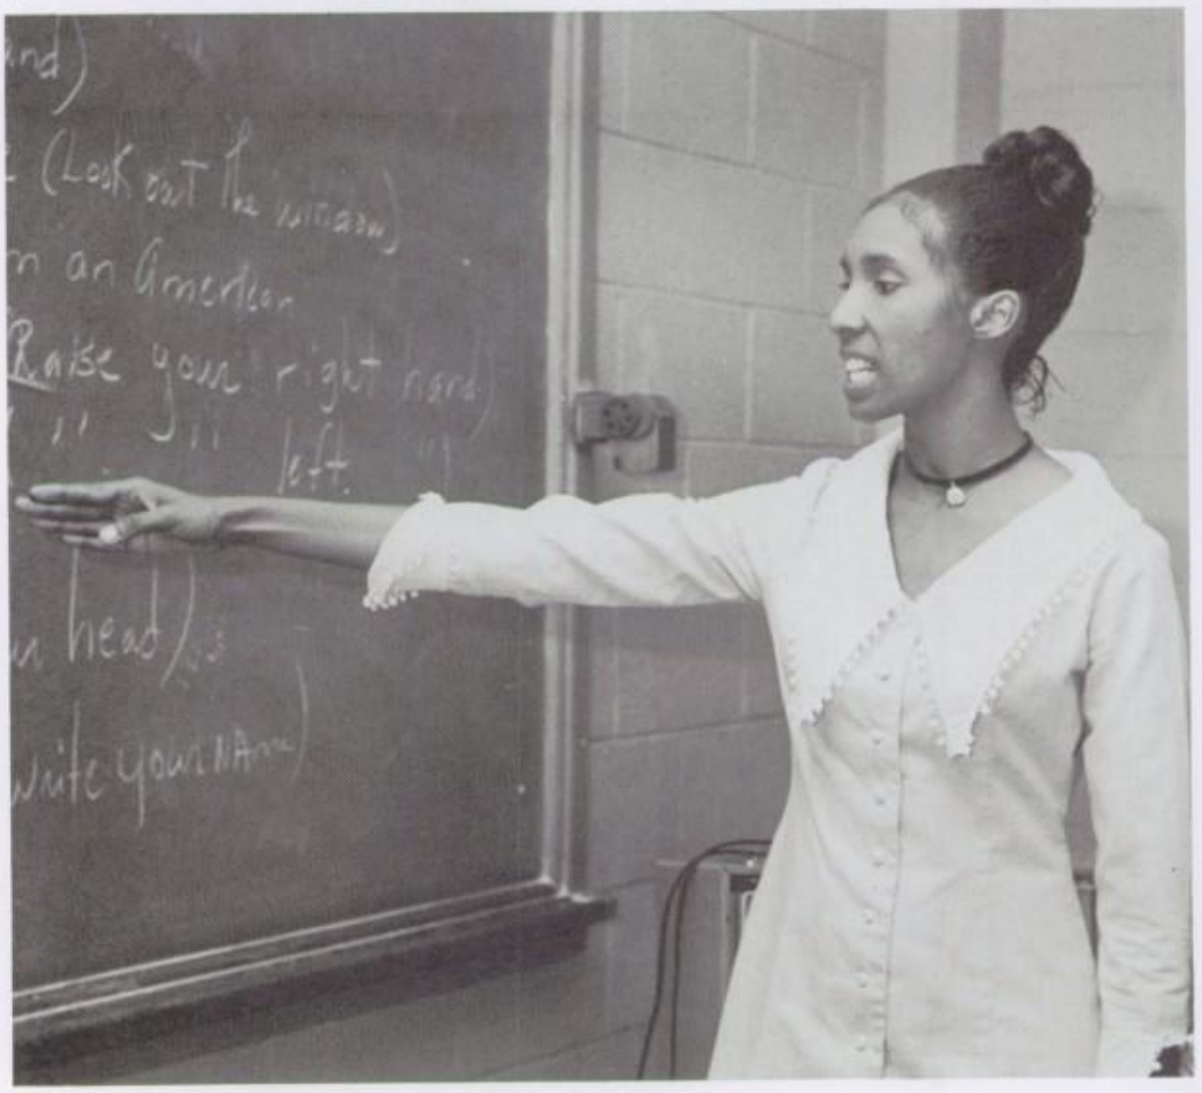
The Rebels kept an old favorite, Mrs. Pippen, for French and gained two new teachers, Mrs. Kearse and Mr. Wall, for Spanish and German, respectively.

If you really want to study about a country or learn a language well, you could not find a better place than right here at good old Groves.

A



C



B

A. Senora Kearse recites Spanish to the class. B. Madame Pippen goes over some French phrases. C. Herr Wall gives written dialogs to the class.

A

Quiet Please!

The most organized building in the school is the library. The head librarian, Mrs. Ruth Bond, sees that everything is under control at all times. With the help of her two assistants, Mrs. Mole and Mrs. Clary, the job is made a little easier.

The library is a well-known and widely used place for study and research. It is used by students and teachers alike.

Books are classified with special care to insure that everything is perfect. Surely, this is one of the most efficient systems in the school.

B

C

A. Mrs. Bond instructs teachers' aides on processing new books. B. Mrs. Clary looks for a lost card. C. Mrs. Mole's duties include shelving books.

Does A+B= X Or Y?

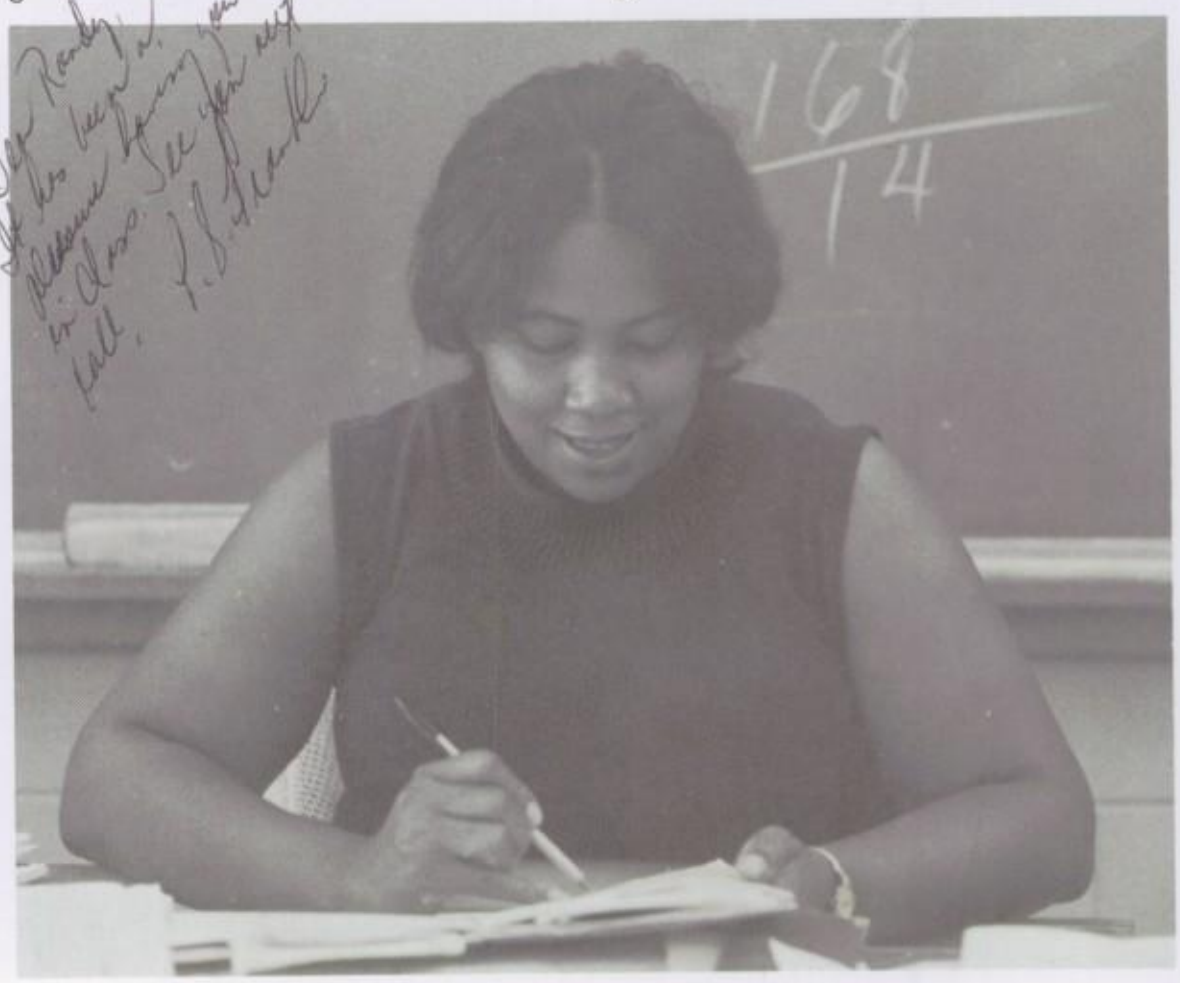
Accuracy is what "counts" in the mathematics department. Each student who takes a math course can tell you that discipline and a lot of patience are only two of the requirements for learning any of the many courses offered here at Groves.

From basic math to the most advanced courses, hard work and long hours of study help to increase the students' math skills.

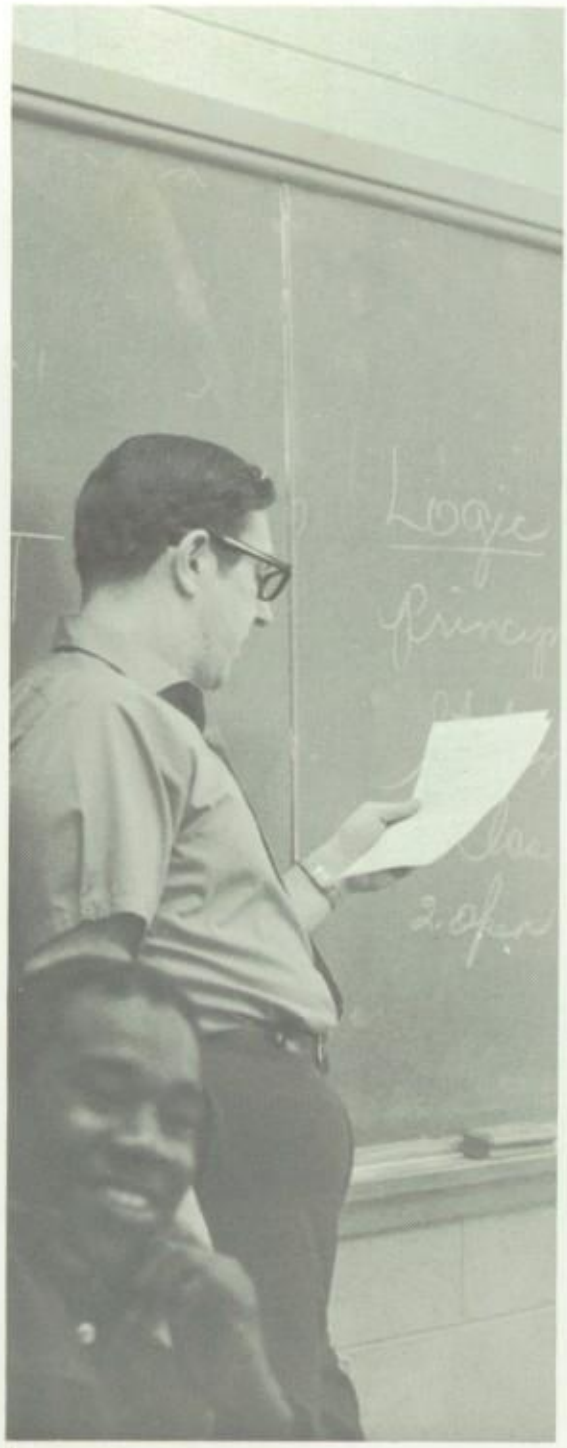
C

D

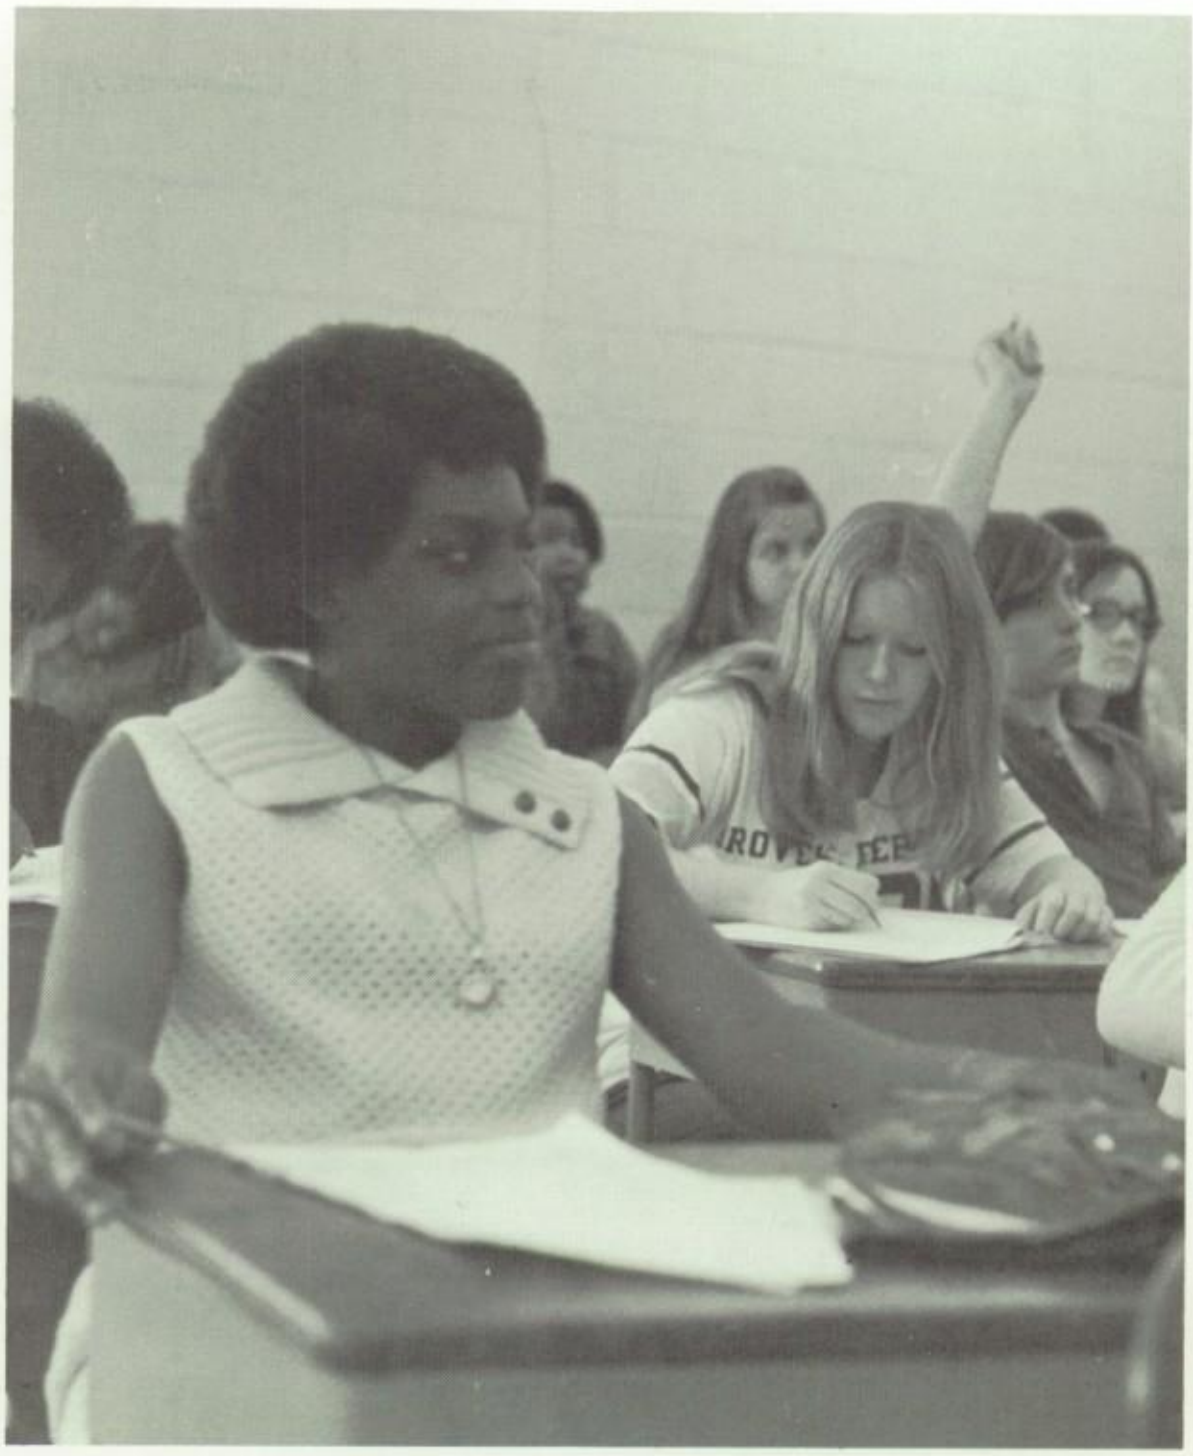
A



B



E



G

F

A. Mrs. Polite studies a new assignment for her classes. B. To see that all of her students are in class, Mrs. Franklin checks roll. C. Mrs. Talton reviews rules for her algebra class. D. Miss Phillips steps outside of her door to be greeted by a photographer. E. Mr. Herrin uses notes to help him remember information he needs to give to his pupils. F. Smilingly, Mr. Herrin answers questions about a test. G. These freshmen show interest in their class.

Spirit Boosters Are In "Tune"

The spirit of Groves comes from the hard work put forth by the band and the chorus.

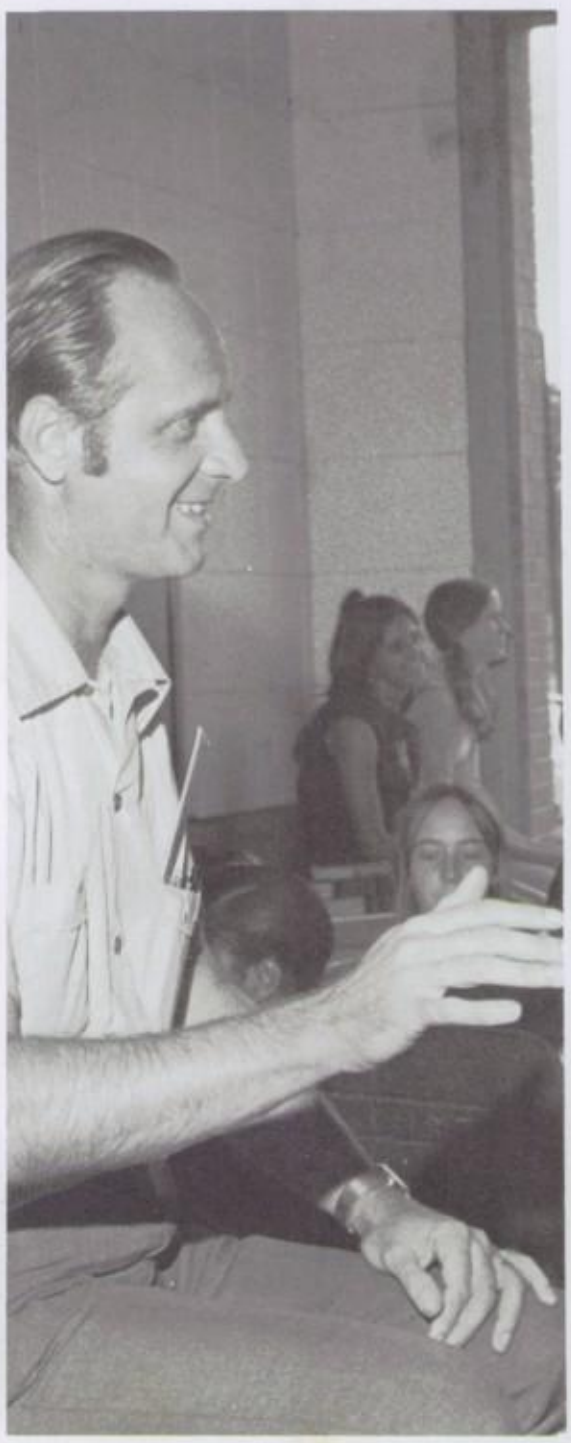
The Rebel band, under Mr. Robert Priestley, worked during and after school many days and nights to prepare the fine performances they presented during the year.

Also working hard in our music department is the chorus, which is under the direction of Mr. Bill Herrin. Each person did his best every day during the fourth period to create outstanding music for the inspiring concerts they presented.

B

A

C



D

A. Even with all the practicing going on, Mr. Herrin looks as if he is working harder than anyone. B. Mark Jarrell assists pianist, Joey DeLoach, by turning pages. C. Mr. Priestley listens intently to be sure everyone plays his part correctly. D. To show his pleasure with the band's performance, Mr. Priestley smiles as he continues directing the band.

A

C

Game Point! ! !

Hot weather, cold weather, or just in between, the physical education classes can be found exercising and keeping in shape in and around the gym. The instructors are well-trained and very well-qualified to lead the students in the numerous activities in which they engage themselves and their classes.

Physical education is among the most exciting and rewarding courses that a student can take while in high school.

B

D

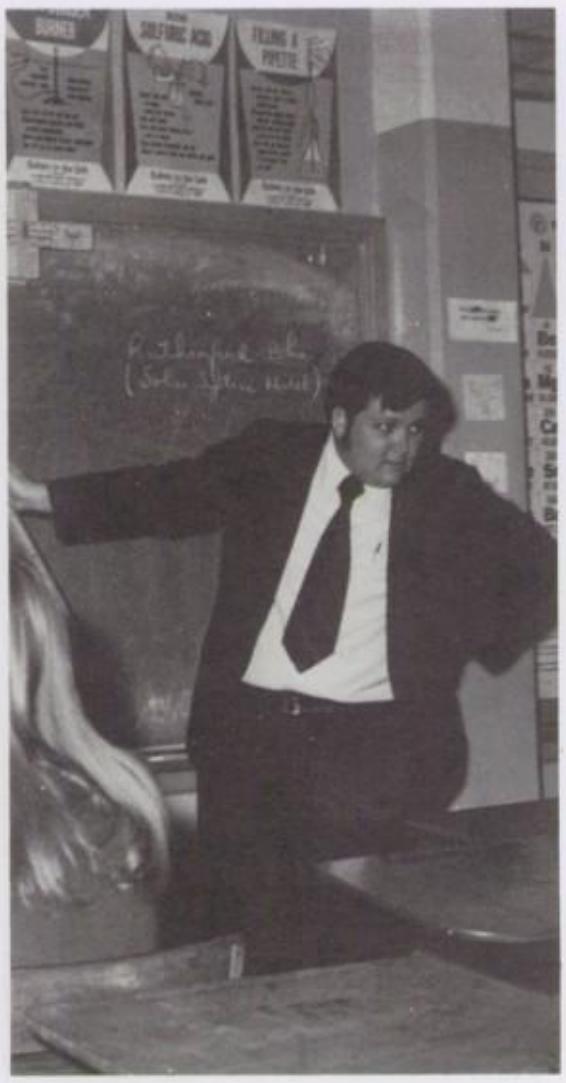
A. Miss Hartley observes her class in motion. B. Coach Horn looks on as his boys fight for control of the football. C. Robbie Fields heads up the morning exercises. D. Carol Etheridge gives her team a boost.

Blast - Off!

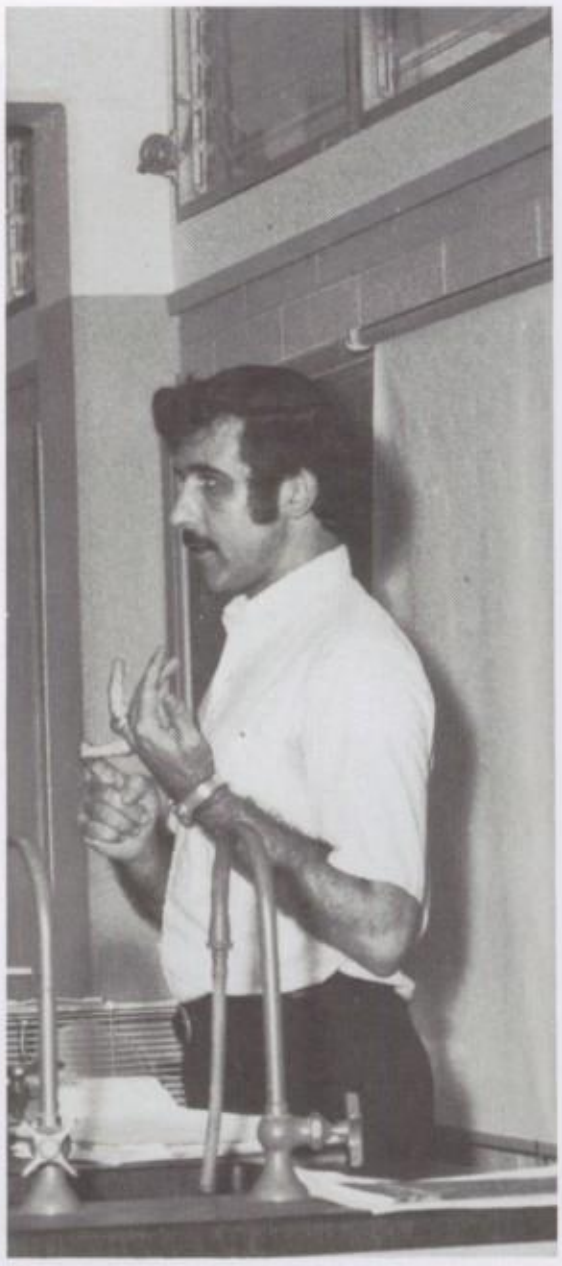
If you are interested in landing on the moon or making an atomic weapon, you may find many of the answers right here in the science department.

With the best teachers and the most advanced equipment, the science department is agreed by all to be really up-to-date.

Whether it be biology, physiology, chemistry, physics, or any of the other science courses, you can bet that you were taught well at Groves.

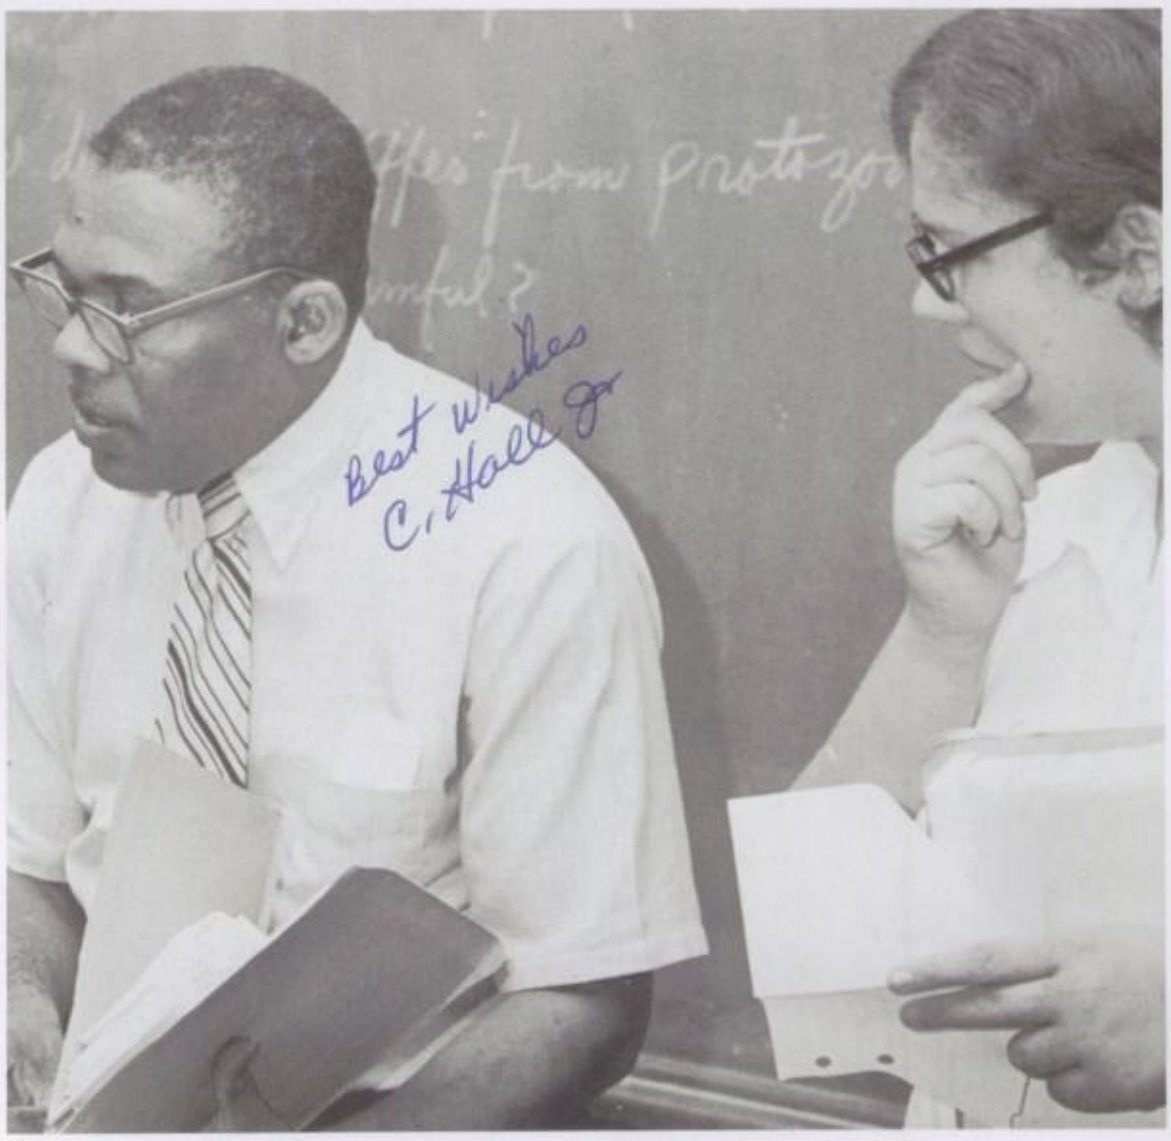


A



B

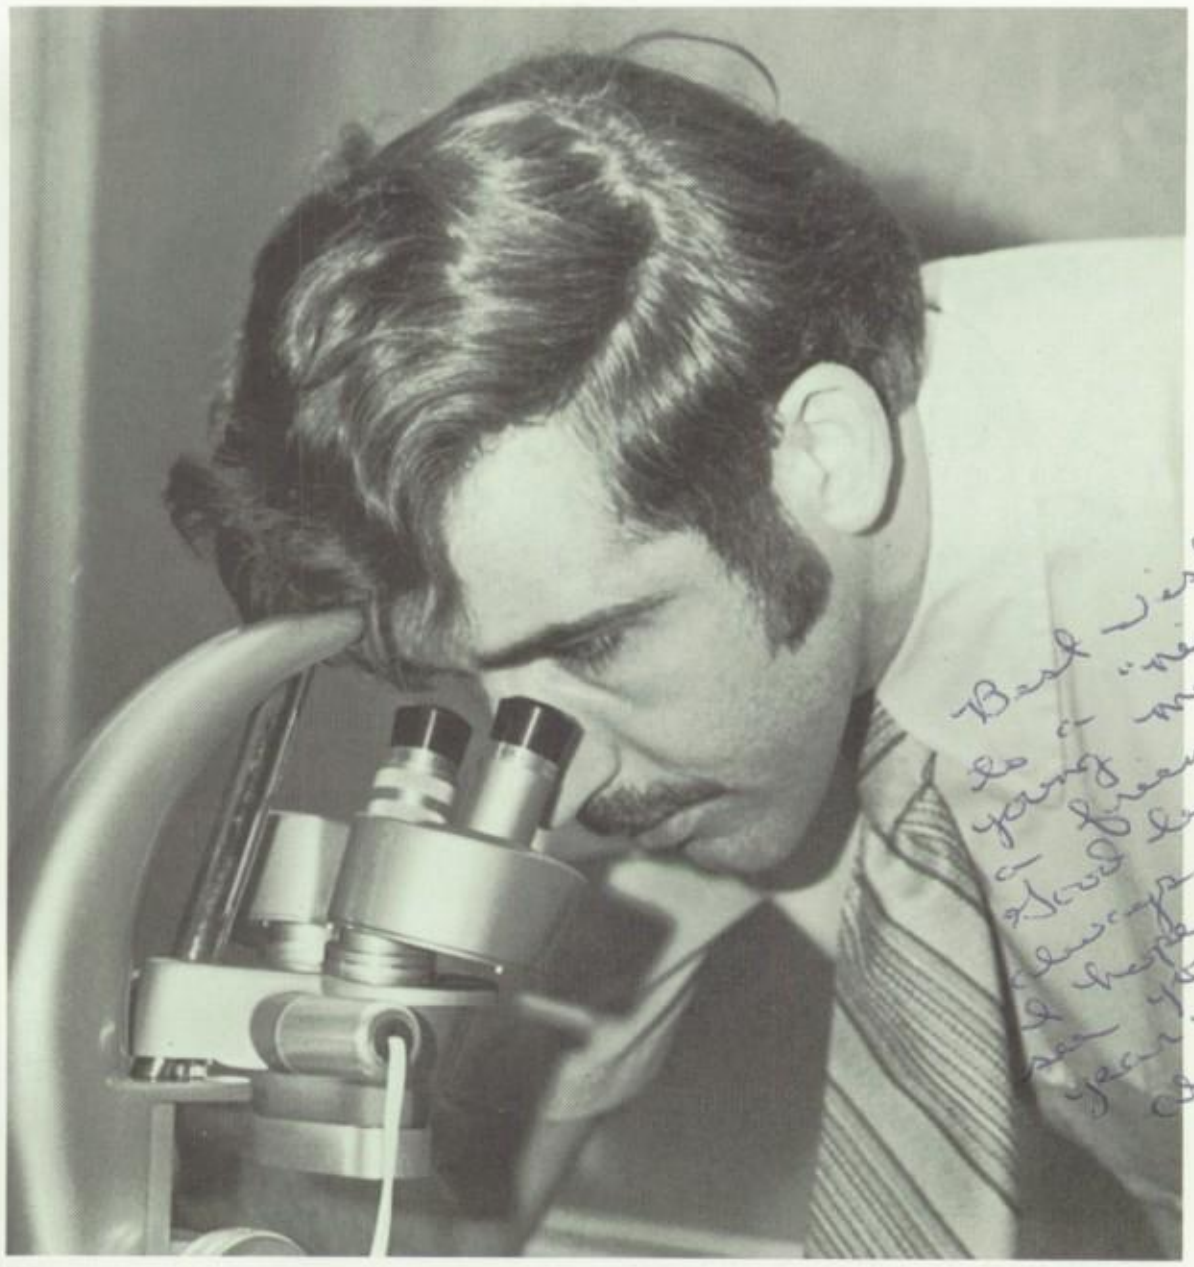
D



C

E

F



G

H

A. Mr. Riner discusses a problem with his chemistry class. B. For his students, Mr. Chassereau lists several examples. C. Mr. Hall prepares to record test grades. D. Mr. Thaggard laughs as he emits another "fantastic funny." E. Mr. Hall points out portions of this cat's throat. F. "Open your notebooks, please." G. Mr. Chassereau is very careful in setting up a specimen under the microscope for his classes to observe. H. Mr. Riner discusses his greatest love, the Periodicals Chart.

Future Military Leaders

Even though ROTC is offered as an elective at Groves, many boys realize the importance of military training to their futures. The department has a staff of well qualified commanders — Sgt. Maj. Blackburn, Lt. Col. Bull, and Sgt. Brown.

ROTC is essential for the training and discipline of our future military leaders.

B

D

A

C

A. Colonel Bull speaks on the day of the commissioning ceremonies. B. Sgt. Brown watches his cadets as they report to classrooms. C. Colonel Bull prepares to make a speech. D. The cadets decorate their cars for the homecoming parade.

B

C

Aides Lend A Hand

For the second consecutive year the teachers at Groves have been given a helping hand with such tedious tasks as grading papers and typing tests and other material.

You can find the teachers' aides hard at work with papers and typewriters in either 2A or 37A.

The Teachers' Aide Program is greatly needed and much appreciated.

A

A. Mrs. Wilkes looks on as Mrs. Williford practices up on her typing. B. Mrs. Anderson has a difficult assignment to complete. C. Working busily at her typewriter, Mrs. Starling looks up just as the picture is taken.

The Real Workers

It seems that their jobs are never completed. The custodial staff works before, during, and after school to see that the buildings and grounds are kept presentable. As careless students, we can thank the staff for its long hours of hard work.

If the lunchroom staff were lazy or careless, the students might see 11:07, 12:06, and 1:05 come and go without anything to eat. However, due to the efficiency of the ladies, the lunches are always served on time.

A

A. Cutting the grass is only one of James' many jobs. B. Mrs. Williams works at the cash register each day collecting money for lunches. C. Mrs. Chancelor, who is head of the lunchroom system at Groves, oversees all actions to see that everything is done properly. D. Mrs. L. Kitterell goes about her daily routine of preparing meals.

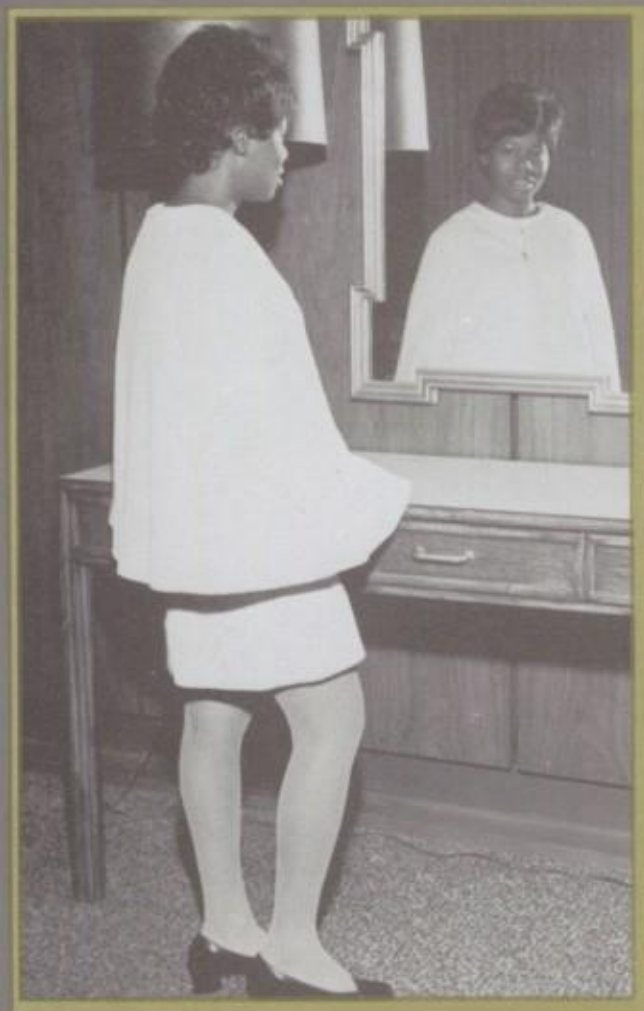
Randy,
It really has been just great knowing you this past year. You have made our math class something else. You are really a sweet guy with a great personality. May you have the best of luck in the future to come. Be good!

Love,
Tina Bishop

Class of
"74"



BELLES

Each year at Groves, four lovely girls are chosen to hold the titles of Miss Groves, Miss Homecoming, Miss Sweetheart, and Military Queen. The Military Queen is chosen by a vote of the ROTC cadets. All of the others are selected by school-wide elections.

All of the titles are true honors to the girls selected. The most important, however, is without a doubt Miss Groves. This beauty is chosen not only for her pretty face but also for her contributions to the school.

Each of the 1971-1972 belles truly merit the honors bestowed on them and deserve congratulations and thanks for making this an unforgettable year.

Randy,
Like I said before
I think you're one swell
guy and I like
you alot. Remember
the girl who likes and
thinks your sweet
Please stay that way
and you'll go far. And
besides you'll find
the right girl

SPORTS

Sports have always played major roles at Groves High School, and the Rebels are proud of the spirit and excitement that have been displayed this year. In every field of athletics, young men learn to accept defeat and to appreciate victory. No one can really evaluate the importance of sports, but its presence will always be felt at GHS.

Back On The Track

A game of seconds and inches sets the scene for many a thrilling track meet. Track is a game where the individual is outstanding, and each man practices self-discipline and other phases of the game.

The Rebels had a long, rough season. The team was young; and because of this, they had their "ups and downs." The Rebels surged forth into competition, but it seemed they could never attain their high hopes of winning. Knowing the depression of losing is one thing, but knowing the satisfaction of putting everything one has into a worthwhile effort is a success in itself.

This is the way it was for the Groves High track team — dismal, yet rewarding. The team will be stronger than ever in the coming year; and once again, the Rebels will be back on the track and winning!

A. Ronnie Drake's style is free and easy. B. Mike Reiser shows form and strength as he gets off another fine throw. C. Grady Weaver hurls discus with great determination. D. Bobby Reese shows his skill as he clears the hurdle. E. David Wheeles volts upward to clear the bar.

Those Swingin' Rebels . . .

Smashing through another winning season, the Rebs showed forth their ever increasing desire to win. This fine record was attributed to an excellent hurling staff and superb hitting of the Rebel ball club.

Although the Rebels dropped four very important games along the way, they never lost the greatest trait of Groves High School — the willingness to be a winner. Hosting a tremendous 10 and 4 record, the Groves High baseball team will always be "number one" in the minds of all fellow Rebels.

Our baseball team worked well together; the reasons, Coach Carter, Coach Horn, and the Groves High School Rebel spirit!

The 1971 football squad set off to the greatest season in the history of Groves. Unknown to almost everyone who viewed the first game of the season against Statesboro, was that they were seeing the beginning of a sensational year. Although the Rebels went down in bitter defeat, the game seemed to be the turning point of the season.

The rebellion, which would lead the Rebels to the City Championship, Region Championship, and a bid for the State Championship, had begun.

As the season progressed, the Rebs chalked up one victory after another, proving that they were champions in every respect. With an awesome defense and an explosive offense, the Rebels made their presence known. They astounded everyone, friend and foe alike.

Of course, every victory was important, but the utterly unforgetable ones came in the latter part of the season. The first of these was the victory over Waycross. It was an almost perfect game, as the Rebels waltzed to a 44 to 19 win.

The next was the most crucial game of the year. B.C., expecting to "barnstorm the farmers," were met head-on by the rampaging Rebels. Two undefiable runs broke the game open as the Rebs came out on top, winning the City Championship 12 to 7.

The last, but not the least, was the fabulous victory over Jesup. The offense could not be stopped, and the defense would not be moved. The Rebels would not be denied the Region 3AAA Championship, as was seen by the 26 to 6 victory.

The tremendous Rebel coaching staff was made up of four men who inspired the Rebel rebellion and guided it to its height. Congratulations go to Coaches Horn, Gayheart, McGraw, and Brady and to the Groves High School Rebel football team of 1971 for a job well done!

Slowly but surely the Groves High basketball team came back from what seemed would be a dismal season to a successful 12-12 record.

Going into the Christmas tournament the Rebels had not won a game. However, determined effort made the Jesup tournament the turning point of the season. The Rebels won two of the three games they played and brought back a third-place trophy.

For the basketball team, the Christmas holidays were full of strenuous practice and hard work; but all of it paid off.

Attendance at the games was poor throughout the year, but we can be proud of our basketball team for showing forth their talents and never giving up.

THE YEAR

The year was devoted more than ever to study. Activities were greatly limited by new innovations. There were some bad points, of course, such as tension and up-risings due to racial hostilities. However, through much dedicated effort, the year did turn out to be a good one. The excitement included such things as dances, Homecoming activities, the March of Dimes campaign, rings for the seniors, a winning football season, and most of all, simply being a part of Groves High School. Yes, this was the year!

Students Await Crowning Of Queen

April 3, 1971, was the big night of the 1970-71 school year. The exciting event was the Miss Groves Dance held at the Alee Temple. The approximately three hundred who were present were enchanted by the nationally famed "Critical Mass."

Tears of joy and loud applause came from the jubilant crowd as Bobbie Sapp was crowned the new Miss Groves.

For Bobbie this night turned out to be a dream come true — a true ecstasy for her and her court.

A. Everyone anxiously awaits the crowning of the 1971 Miss Groves. B. Pam Anderson has a style of her own. C. The queen and her court congratulate one another. The girls are Karen Vickers, fourth runner-up; Susan Unger, second runner-up; Bobbie Sapp, Miss Groves; Karen Kessler, first runner-up; and Barbara Rogers, third runner-up.

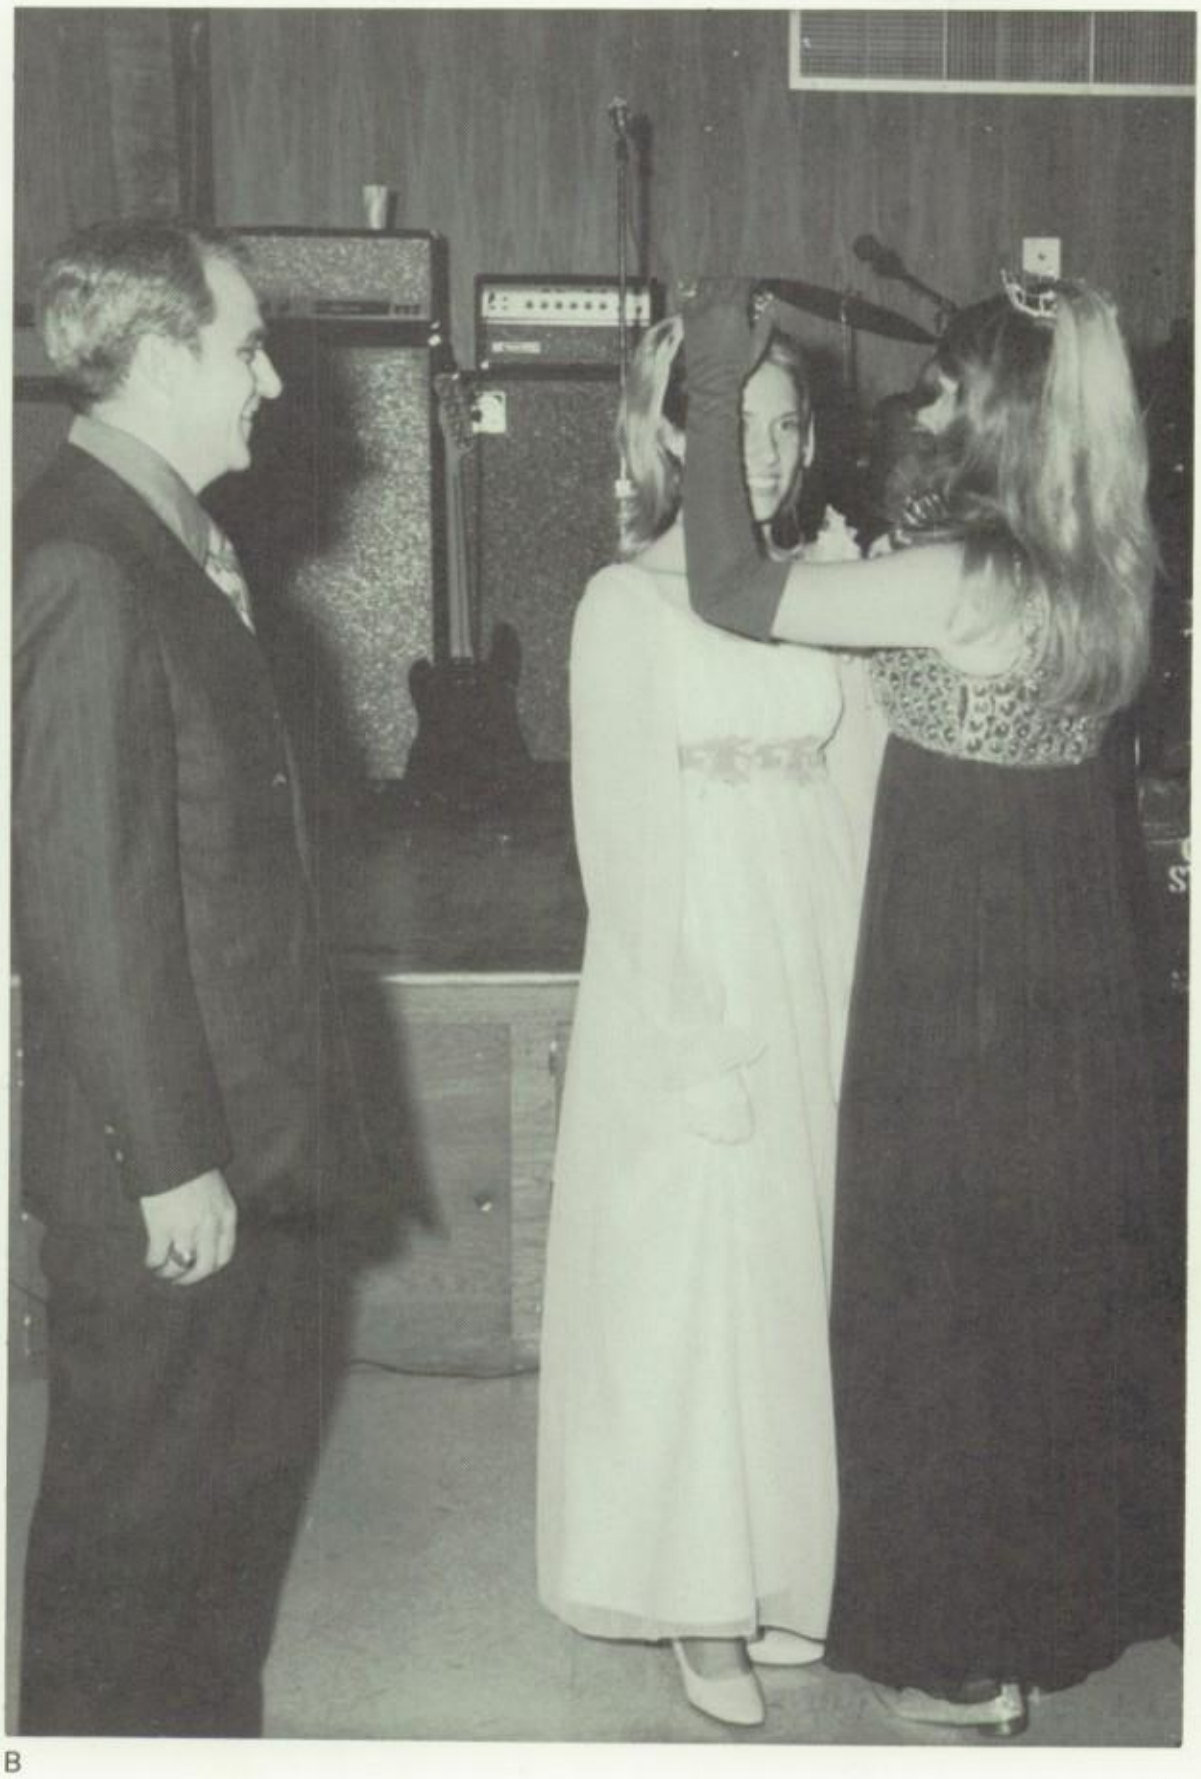
A. Karen Kessler, first runner-up, delightedly receives her bouquet. B. Mr. English awaits his chance to kiss the queen, as Bobbie Sapp is crowned the new Miss Groves by the former title-holder, Debra Williams.



B

Come And Get 'Em!

This was the cry for not only the food but also for the 1971 *Sentinels* which were given out at the senior picnic.

The event, sponsored by the *Sentinel* staff, was held at the Westside Stadium on May 19, 1971. This year, for the first time, seniors were not excused until ten a.m. to begin their day of eating and signing of annuals.

"The Shack" provided entertainment while students lounged on the ground and in the stands or raced to the table to be first in line for the food. The day was a truly enjoyable one, never to be forgotten by the seniors of 1971.

B

A

C

With September Comes A New Year

On August 24, the wheels for the 1971-1972 school term were put into motion with the initial day of taking of senior portraits. The pictures were taken, with the help of the *Sentinel* staff, in the school's cafeteria through August 27.

Also, on August 24, the teachers began their tedious, yet much needed, work to begin the year and to get ready for registration the following two days.

All students who were new to Groves this year registered on August 25. It was a time to become acquainted with the school and teachers alike.

The former Rebels were back at Groves to register on August 26. It was a day of sadness for those who would not return and one of joy for those who would.

School Daze For Many; Vacation For Some

A

Friday, September 3, was officially the first day of school. It was a day for realizing summer was over and the same old confusion we have year after year was here again — only this year the confusion was greatly increased.

The first day of school was made a holiday for many because of a city-wide boycott instigated by Dr. Darnell Brawner. The boycott was in protest of the newly instituted plan of desegregation by busing. Groves fared rather well that day. Only 33% of the students failed to attend school; whereas, other schools suffered attendance losses of 50% or greater.

Because of the desegregation plan, there were many old faces missing; and new faces were prevalent. This was the beginning of another "great" year.

B

C

A. Students move along to their assigned buses. B. Due to the increased number of pupils requiring transportation, overcrowding was prevalent. C. Concerned parents remove their sons and daughters from school for fear of trouble caused by bussing. D. Mrs. Sandra Floyd awaits the end of school to return her riders to their homes. E. It isn't great, but it sure beats walking!

E

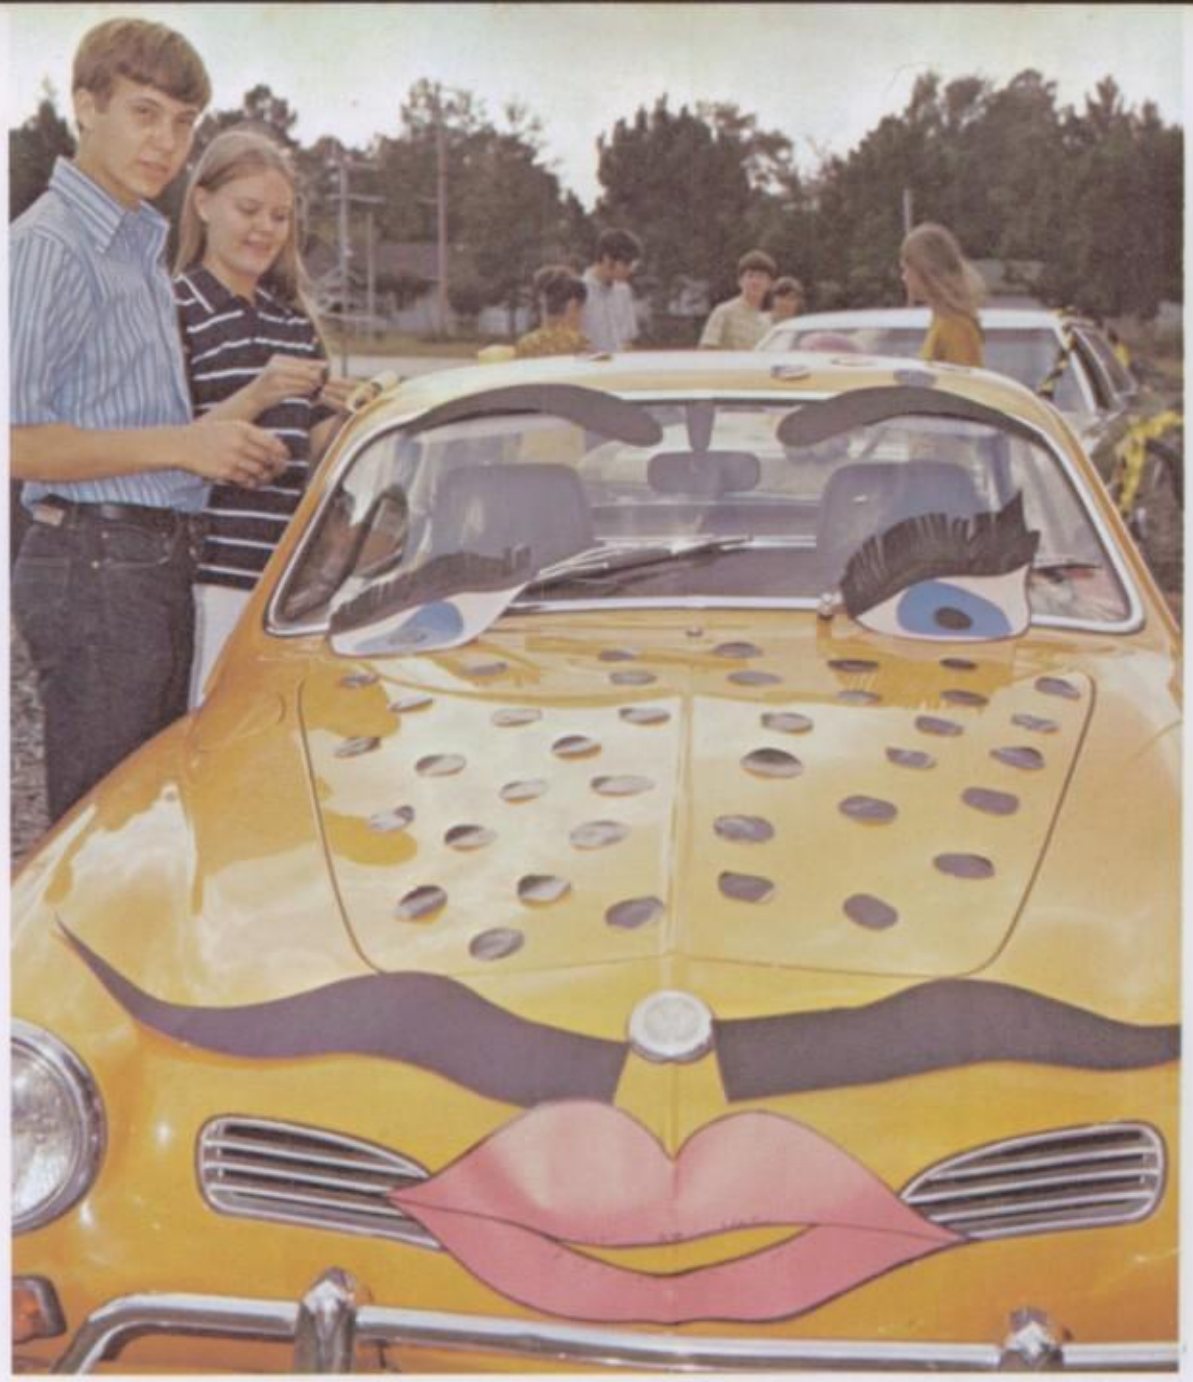
Groves' Greatest Homecoming '71

October 8 marked the day of the annual homecoming at Groves. The big event started in the week with each homeroom decorating its door. On Friday afternoon, many excited Rebels participated in the homecoming parade.

That night at Westside Stadium, Groves played Johnson to the tune of 31-0! At halftime Sheila Roller was crowned Miss Homecoming, 1971, as most of us Rebels held our breaths.

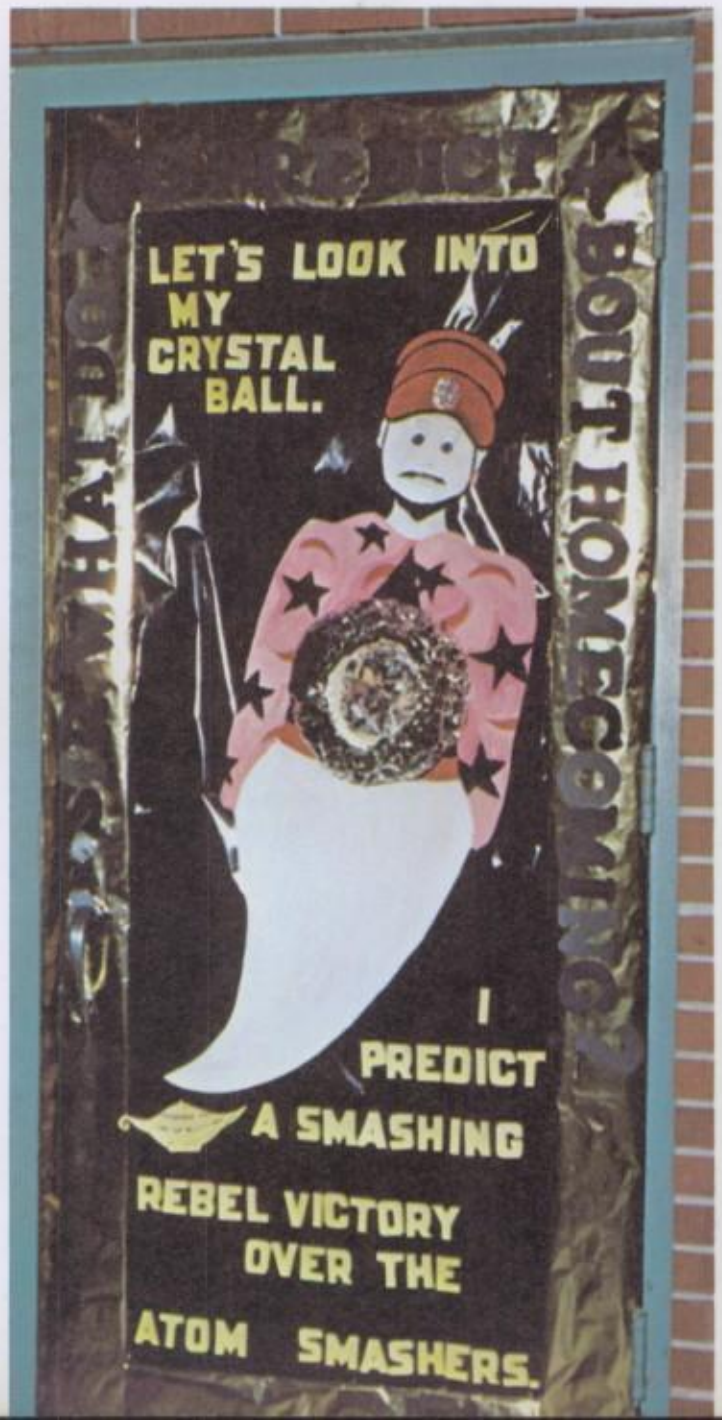
In honor of the new queen, her court, and the gleaming football team, a victory homecoming dance was given in the school's cafeteria by the student council. The many who attended were entertained by the "Conservative Sound and Brass."

For Sheila and the football team, as well as all other Rebels, this night was one great victory!



A

B



C

A. Debbie Crapse's car is decorated for the homecoming parade. B. Miss Ackerman's door wins first place. C. Mr. Seay's door foresaw the homecoming victory.

"Ring" One Up For The Class Of '72

The long awaited day finally came second period on September 23, 1971, when the seniors received their class rings. The students were given only one period for this occasion, but there was excitement in the air the whole day.

The upperclassmen attending Groves this year were reunited with those who were transferred from our school. Students came from other high schools and colleges to join in the excitement.

The day was a reunion for the class and another milestone in the lives of the '72 seniors.

Classes Today-- Tomorrow . . . ?

This year Career Guidance Day, sponsored annually by the Rotary Club West, was held on November 10, 1971. Its purpose was to give each student a chance to become better informed in the field he had chosen for the future.

As in the past, there were approximately fifty different fields from which speakers came to confer with students.

Upon arrival, guests were given instructions on parking and ushered to the registration table by the ROTC drill team members. After checking in, speakers were directed to a room where coffee and doughnuts were being served by the Future Homemakers of America. The Anchor and Key Clubs guided each speaker to his assigned room, after a time of eating and socializing.

The whole event was a complete success with many students learning a great deal about their chosen careers.

B

C

A. Key Club guides take time for refreshments after performing their duties. B. Janet Rogers, Anchor Club guide, directs a speaker to his room. C. Future Homemakers, Sherry Starling, Brenda Chancey, and Libi Lamkin, act as hostesses for guest speakers.

Polynesian "Blossom" Charms Judges

This year the *Sentinel* staff held their annual Queen of the Crop contest on January 31, 1972. It was held during the first period. The second runner-up was "Delicious" DeLoach, first runner-up; "Sassafras" Small, and Queen of the Crop 1972 was "Blossom" Boykin. Coach Brady was the Master of Ceremonies. All who attended the event had a delightful time as the contestants displayed their different abilities to act feminine.

Subway Performs For Sweethearts

February 12, 1972, was the night of the annual Miss Sweetheart Dance. It began at 8:00 in the school cafeteria. Music was provided by "Subway."

The highlight of the evening was the crowning of Veronica Baxter as Miss Sweetheart.

Although there were a number of students present, attendance was hurt by poor weather conditions. A considerable sum of money was lost on the dance due to this and the expenses of the flowers for the queen's court and other accommodations.

ORGANIZATIONS

Organizations at Groves for the 1971-1972 school year suffered a noticeable drop in membership as a result of holding meetings after school. In spite of this, however, many of the clubs remained quite active, while others upheld their sub-status-quo standards. Some new organizations were established; and as a whole, the year was an outstanding one.

Student Council Leads Activities

Student Council may well prove to be the most valuable organization to our school. The Council consists of a representative of each homeroom and one from each club. The officers are selected by the student body.

The Council started with welcoming the new students by serving Cokes on registration day.

The next Council project was the 1971, homecoming. Each senior football player selected a girl to sponsor him in running for the title of Miss Homecoming. The theme this year was "Groves' Greatest Homecoming." The climax was a victory over Johnson and the crowning of the 1971 Miss Homecoming, Miss Sheila Roller.

With the coming holidays, the annual talent show was planned. It was to be presented sixth period on December 17, but was called off at the last minute by Mr. Andrews.

January brought the annual March of Dimes drive. This project was headed by the Student Council. Vice-President Russell Bright served as the 1972 campaign chairman. The students and clubs willingly helped out.

In February, the Sweetheart dance was planned as the students selected eleven finalists to run for the title of Miss Sweetheart. Pictures of the contestants were placed in the main hall for all to observe. The results of the election were revealed at the dance Saturday, February 12, with the crowning of Miss Veronica Baxter as Miss Sweetheart 1972.

The last, but not the least, was the Miss Groves Dance, also sponsored by the Student Council. The Council was responsible for recruiting a band and a place to have the dance. This year, it was held in April.

The officers, Mr. Wayne Seay, and the students deserve a pat on the back for a job well done in making our school a better place.

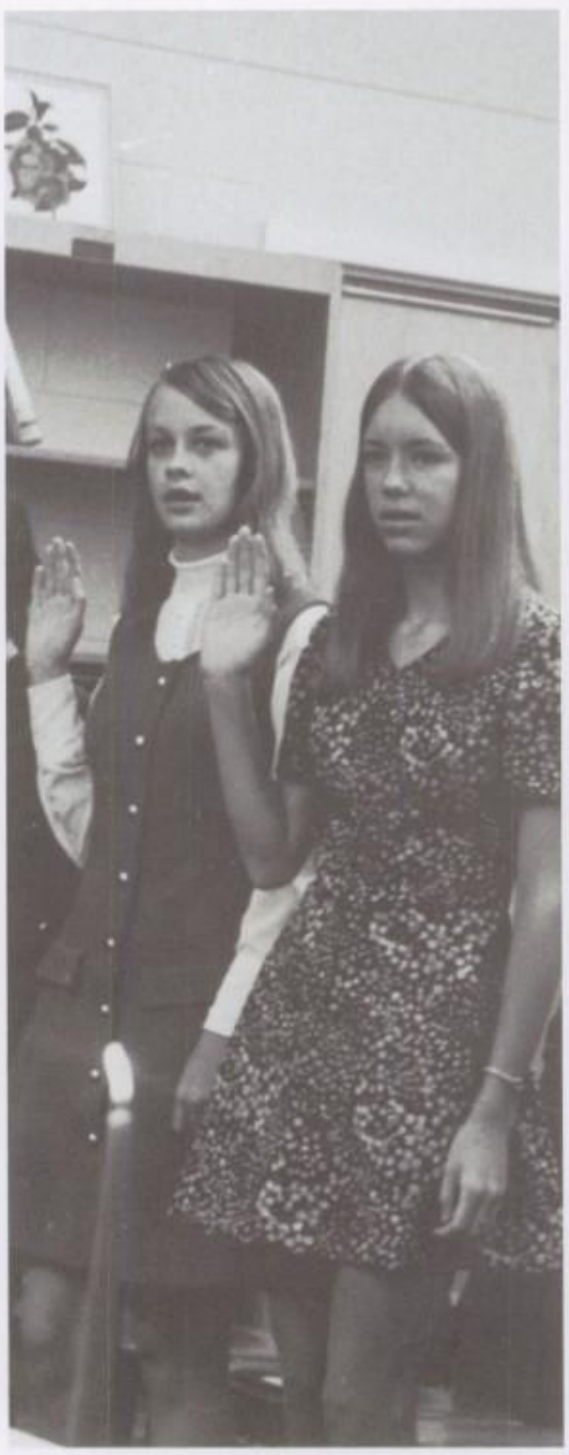
Academic Service Sponsored By Betas

A



B

A. Pat Teaford lights the flame of courage in the hearts of the Beta Club inductees. B. The new inductees take the Beta Club oath.

One of the most highly commendable academic and service organization at Groves is the National Beta Club. Its well-chosen purpose is the promotion of honesty, service, and leadership.

Induction of new members was held during the first of November. The climax of the event was when the new members, in unison, took the oath of service. A reception followed for parents and students.

Soon after the Christmas holidays a tutorial program was set up for all students desiring help in academic subjects. Tutors and their "pupils" met each Tuesday and Thursday afternoons for a fee of fifty cents. This was added to the Beta Club treasury.

A few miscellaneous projects, sponsored by the Beta Club, were the Christmas faculty tea on December 14 and the joint Beta Club-National Honor Society Dart Throw for the March of Dimes.

Of course we must not forget the annual convention in Atlanta. This year the Betas stayed in the Henry Grady Hotel. The convention has been established as an unforgettable experience.

NHS Members Hold Bake-Sale

Under the leadership of the new advisors, Mr. Charles Riner and Miss Marsha Philips, the Evelyn R. Groves chapter of the National Honor Society began the new year.

On December 15 the induction ceremonies were held for fourteen new members. Parents were invited for the event and the refreshments which were served in the Georgia Room of the library following the ceremonies.

Because of the low income brought in by the joint Beta Club-NHS dart throw, another March of Dimes project was held. January 28, served as the date for the after school bake sale which proved to be a big success.

For the third time, members of Groves' NHS attended the annual convention in April at Jekyll Island. May saw the installation of new officers and the end of the year's activities.

Anchor Convention In Savannah

The Anchor Club is without a doubt one of the most outstanding and active organizations at Groves. Its main purpose is the development of initiative and leadership ability.

At one of the first meetings, Mark McCormick was elected Mr. Anchor and the first social was planned to start the year off on the right foot.

A few of their many projects were the Halloween trip to the Savannah Home for Girls, their serving as guides for the speakers on Career Guidance Day, and their Christmas visit to the Johnson's Convalescent Home.

For the first time, the Savannah Anchor Clubs co-hosted the annual state convention in February at the DeSoto-Hilton.

In conclusion of a busy year, the Anchors enjoyed their annual banquet, which was held in May. The new officers were installed at this time for the 1972-1973 school year.

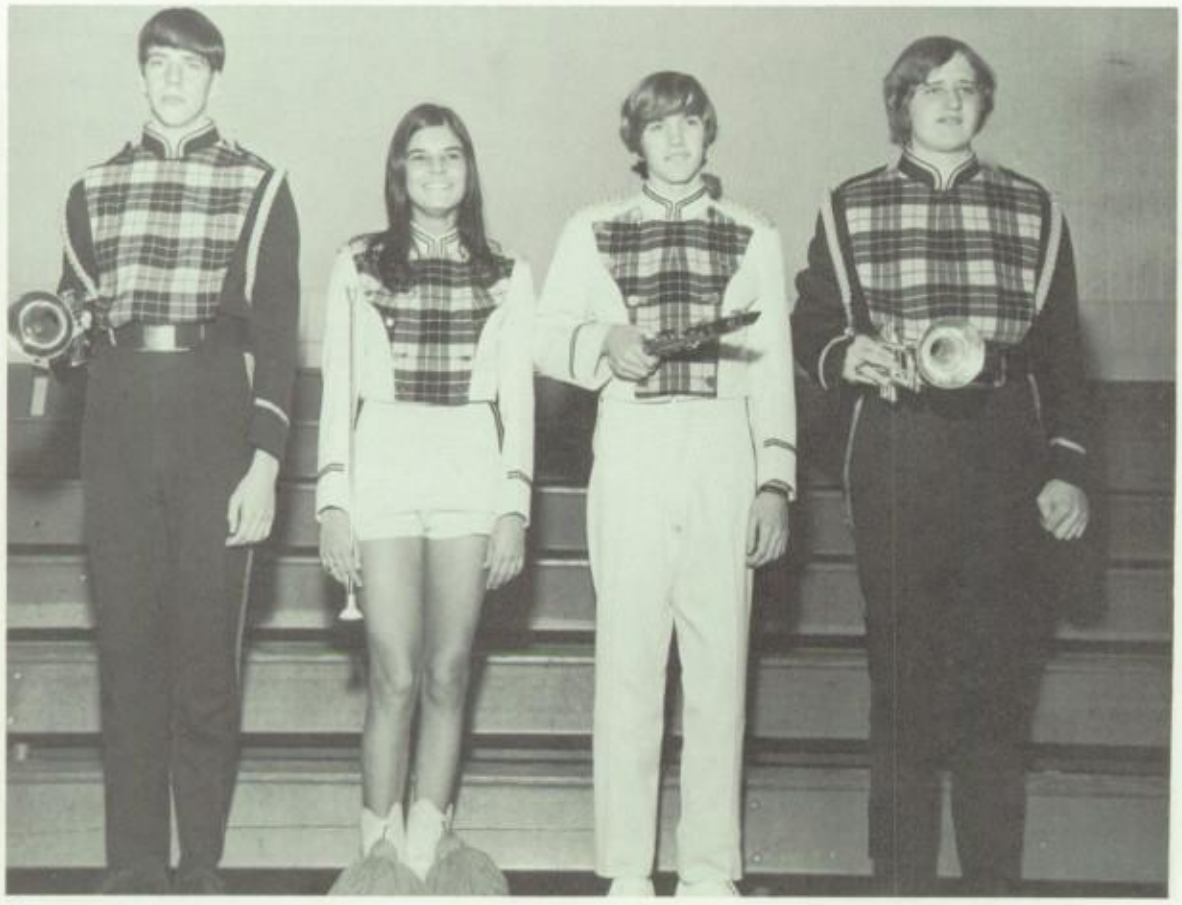
Band Adds Spirit And Spice



A

Under the direction of Mr. Robert E. Priestley, the Groves High School marching Rebel band finished another year successfully.

The band is composed of sixty members, who throughout the year added spice and spirit to the pep rallies and parades. The marching band also added a touch of excitement to the football half-time shows.

Twenty-six of the members were selected by scores on a standardized playing test to attend a clinic which was held at Georgia Southern College.

On February 3, April 6, and May 27, the band gave fine performances in their three annual concerts.

The Rebel band is truly an asset to Groves!

B

Outstanding Paper Despite Handicaps

This year the *Big G* staff received a new advisor, Mrs. Mary Williams. She assisted the staff in producing each paper. Production was hindered again this year by low subscriptions, but the paper pulled through successfully.

The staff's representative to the Queen of the Crop contest, "Delicious" DeLoach, placed second in the judging.

Producing a newspaper is long, hard work; and our *Big G* staff deserves a hand after all they put into their poor support.

B

The More, The "Spiritier"

"One, two, three . . . fifteen!" was the thought that ran through the minds of the spectators as our fifteen varsity cheerleaders raced onto the football field.

Whenever the Rebels were behind, the cheerleaders cheered them on into the winning bracket and gradually onto a winning season.

Even though their number decreased greatly by the end of the year, the cheerleaders produced enthusiasm and school spirit at the pep rallies, and football and basketball games.

Give A Yell!

This year the ten B-team cheerleaders were chosen later in the year than usual. They were chosen on a sixty-forty ratio. Instead of having a captain and a co-captain as in years past, there were two co-captains.

Since the cheerleaders were chosen so late in the football season, they were only able to perform for the last few games; however, they did cheer for all basketball games.

Acting Talents Exhibited

A

As an organization for those who enjoy expressing themselves publicly, the Drama Club brings amusement and delight to all who see its plays.

There was only one big production this year. Thanks to the advisorship of Mr. Jim McCullough, the talents of the Drama Club members were brought out in this fine production.

Chorus Performs For Churches

With the help of Mr. Bill Herrin, the Groves High School chorus was a tremendous success in 1971-1972.

The year started with a large doughnut and cake sale as a money-making project. The results of the sale were very pleasing.

The annual Christmas party was held at Starland Dairies on December 10. The Christmas program was presented on December 18.

Among their other programs were the Founders Day program for the PTA and the spring concert. A party was given before the concert where awards were given out to outstanding members. The chorus presented its talents in the spring to several different churches in the area.

FHA's Represent Quality

Future Homemakers of America represent quality in every endeavor. Their purposes are to strengthen family life, to support family values, and to provide the kind of education that truly makes a difference in the growing ability of young people to initiate, maintain, and manage homes of their own.

For Career Guidance Day in November, they served refreshments consisting of coffee and doughnuts to the guest speakers. They also helped to make them feel welcome on campus.

December was an active month for the FHA. They were busy sending Christmas cards to servicemen overseas. They also sponsored a Library Tea before the holidays.

The biggest event and thrill of the year was presenting the check from their doughnut sale to the March of Dimes.

1971-72 has been a big success for Groves' FHA.

Teachers Of Tomorrow

Future Teachers of America set their primary purposes to assist students in examining career opportunities, to participate in exploratory activities in the field of education, and to study and become involved in educational issues.

Because of their late start, the new members were not initiated, but were enthusiastically welcomed into the club.

The first project was held at the PTA's open house where several members offered to babysit for attending parents.

Again, this year, the FTA visited Johnson's Convalescent Home during the Christmas holidays. During their visit, they gave gifts to the patients and sang carols, sharing Christmas spirit with all.

The FTA gave to the March of Dimes in January. On the whole, the FTA of Groves had quite an active year.

FTA members spend much time studying subjects that will aid them in their careers.

ABOVE: FRONT ROW: T. Hendrick, Vice-President; L. Sears, Secretary; M. Kellam, Treasurer; Mrs. Margaret Polite, Advisor. SECOND ROW: D. Pritcher, C. Upchurch, B. Chancey, J. Clayton. THIRD ROW: D. The Brawny Boys With Brains

The Groves High School "G" Club is made up of a number of excellent athletes. To be eligible for membership, an athlete must earn a varsity letter in either football, basketball, baseball, or track — the four major sports at Groves.

Members of the club enjoy working together for the improvement of Groves High and for making the club stand out among all others.

Members of the "G" Club hold the right to turn down any prospective member or to suspend old members who do not conduct themselves in sportsman-like manners. Members must also maintain "C" averages.

Great pride surrounds the young men who wear the "G's" resulting from their athletic achievements.

ABOVE: FRONT ROW: Coach John Horn, Advisor; M. McCormick, R. Drake, President. SECOND ROW: R. Hadden, T. Langford, M. Kerby, R. Bright, R. Fields. THIRD ROW: D. Bedwell, R. Harris, R. Stephens, R. "G" Club members along with Coach Horn make last minute game plans.

GAA's Defeated By Tournament

The Girls' Athletic Association of Groves had high hopes for the 1971 volleyball tournament, but the team was disqualified after losing their first game.

Following this disappointment, interest in the club began to decline until finally the club was forced to become dormant for the remainder of the year.

GAA's not only participate in sports, but they enjoy watching them too!

Club Led By Native Of Germany

Under the leadership of a new advisor, Miss Donna Ackerman, the German Club remained active during the year. Although Miss Ackerman is a teacher of English and not a teacher of German, she saw that the club held regular monthly meetings, presided over by the new president, Troy Brantley, a native of Germany.

Initiation was held on Saturday, December 4, at Club Riviera. All members were asked to wear German costumes, and a various assortment of German food was served. All of the new members were sufficiently welcomed into the club, suffering the consequences of being new members. A guest of the club on the occasion was Miss Kathy Wade, a former resident and teacher in Germany.

The German Club climaxed their activities for the year with a banquet held at the Sky Inn at Travis Field.

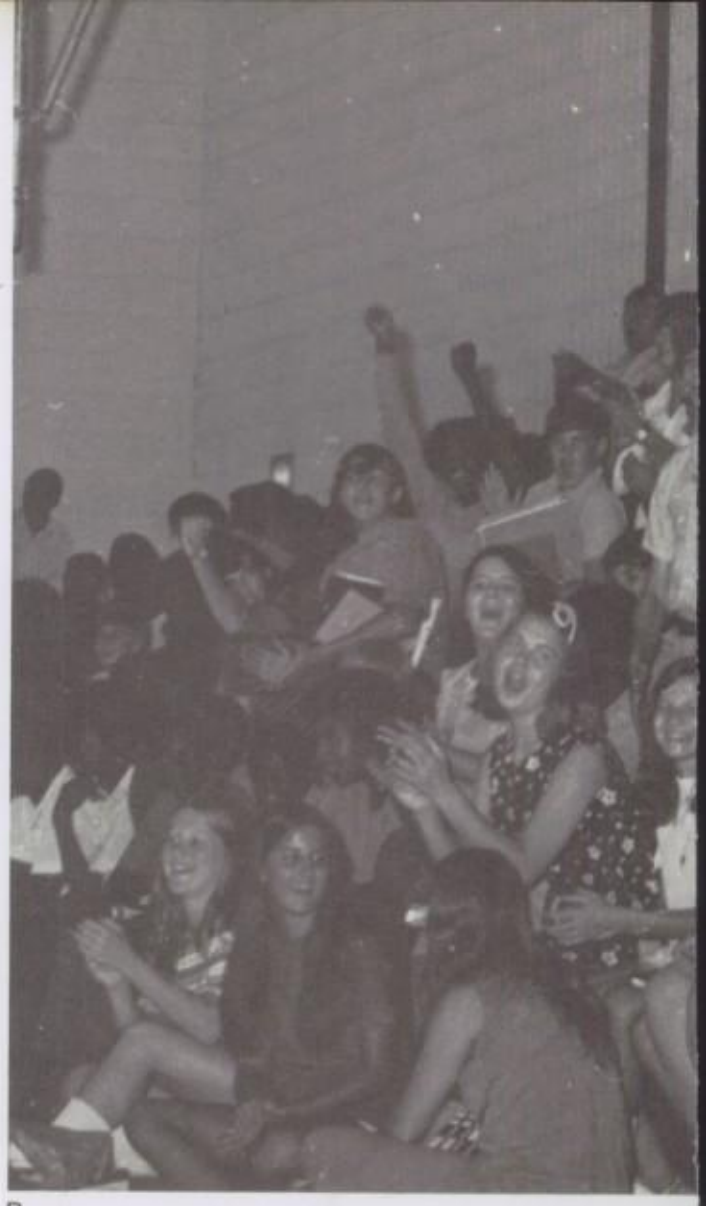
The "Peppy" Ones!

Like many other clubs this year, the Pep Club received a new advisor, Miss Joy Veasey. She aided the students in giving Groves a spirit of which we can all be proud. She advised the members in their various activities, such as sign painting and trying to help the student body keep up that great Rebel spirit.

The club sponsored no project for the March of Dimes, which this year was not unusual.



B

High Hopes For Rebelettes

Under the advisorship of Miss Donna Ackerman, a new organization, the Groves High School Rebelette Corps, was formed. Their main objectives are to engage girls in extracurricular activities, to boost school spirit, and to bring pride to our school.

The Corps was planned in November, and tryouts were held in December. The original membership was made up of twenty-five excited and eager girls, but their number decreased during the year.

Because of the late start and the confusion of the new organization, the Rebelettes had little time to design uniforms and work up routines for performances this year. Their hopes for the 1972-73 school year, however, are extremely high — virtually unlimited.

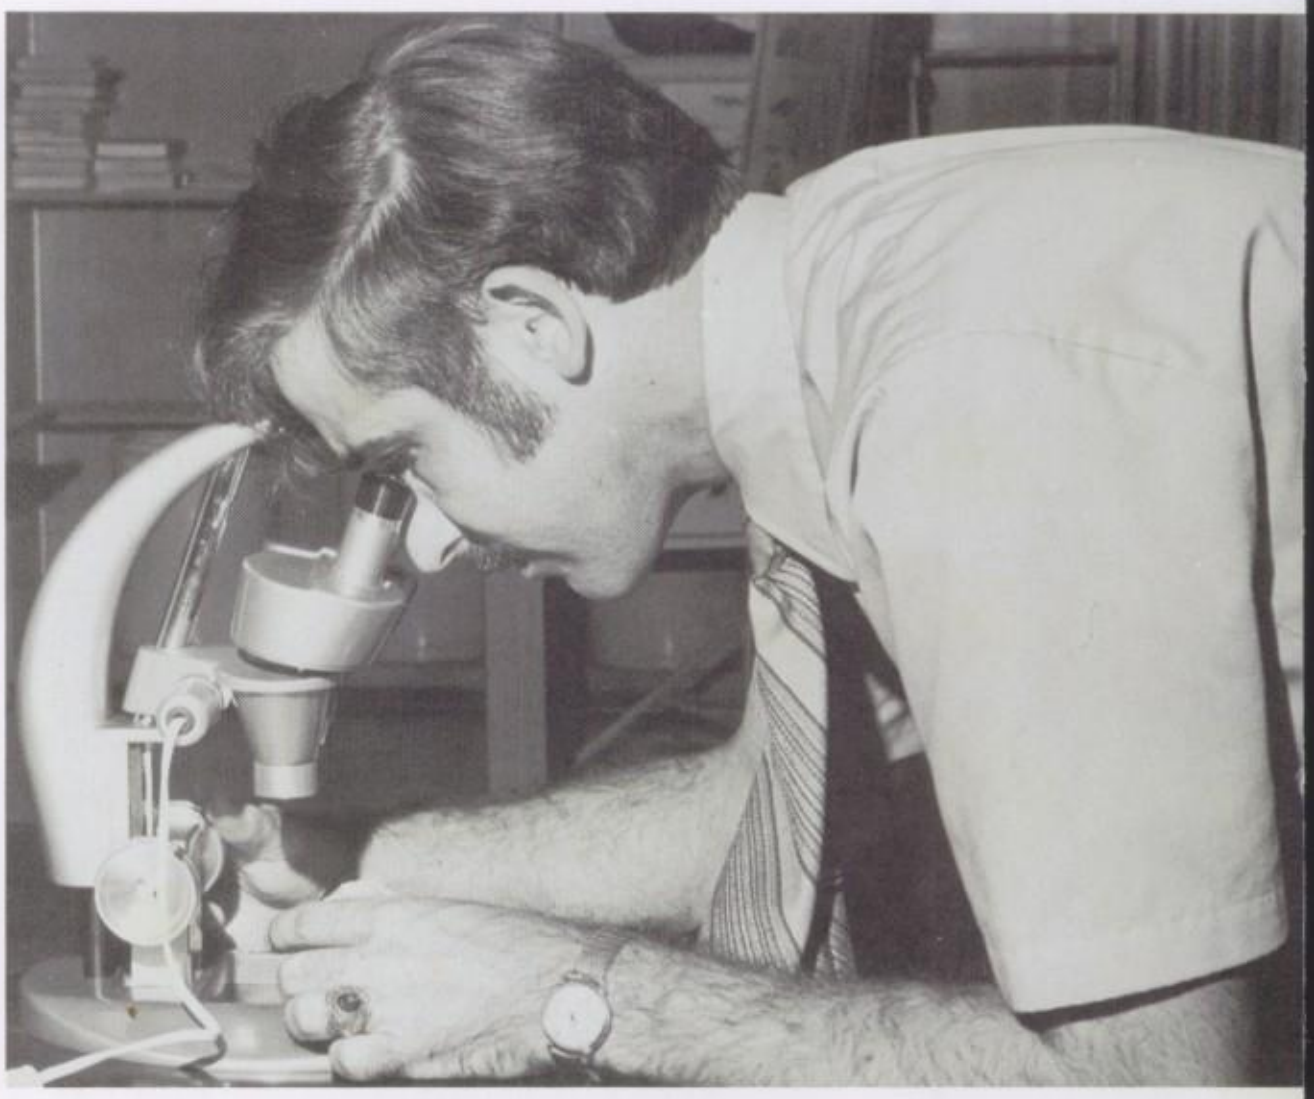
Science Club Has Active Year

A late start hindered the Science Club this year as they finally kicked off with their first meeting in October. Numerous events were scheduled for the club as they planned their first activity, a car wash, which was slated as the March of Dimes project. The club raised approximately $41.

There were several guest speakers this year; some of them were a speaker from Candler General Hospital and one from the Center.

The Science Club had many more projects, including trips to the Science Museum, Oakland Island, and the Wild-Life Refuge. 1971-1972 proved to be a very interesting year for the Science Club.



Mr. Alfred Chassereau helps club members explore the world of science.

The '72 Sentinel-- A Part Of Us All

A busy summer greeted the *Sentinel* staff this year as they sold advertisements, attended workshops, set up dates for senior and faculty pictures, and made plans for the 1972 yearbook.

However, the real work came with the beginning of school. The staff worked long and hard on many deadline weekends and school holidays. Writing copy and cropping pictures are only small portions of what a staff goes through to put out a book.

The work was not confined solely to the staff room. The *Sentinel* staff sponsored a Queen of the Crop contest for the March of Dimes, took care of all dance and school day's pictures, and made arrangements for the selection of Mr. and Miss Sentinel.

The 1971-1972 *Sentinel* staff sincerely hopes that the students and faculty are proud enough of their yearbooks to make worthwhile all of the efforts put into the 1972 *Sentinel*!

Cadets Experience The Feel Of Flying

As in the past two years, the ROTC program started off with a small but dedicated number of cadets. The year began with the commissioning of seventeen cadets. Melvin Murray was given the highest rank of Cadet Colonel, and second in command was Lieutenant Colonel Doug Martin.

The work of the drill and rifle teams was an unending cycle which led to success in competition with ROTC teams from other schools. They practiced diligently to make, as they put it, "the best better!"

The cadets got a kick out of riding a C-47 on January 26, 1972. The year was highlighted, however, by the crowning of Sheila Roller as Military Queen during the ball held at Savannah High School.

VICA Prepares Students For Work

Vocational Industrial Clubs of America has been at Groves for nine years. Eight of those years they have won state superior club ratings.

The club consists of only those who take DCT. Their motto is "preparing for leadership in the world of work".

A few of their many purposes are: to unite in a common bond all students enrolled in trade, industrial, technical, and health education; to foster a deep respect for the dignity of work; and to develop patriotism through a knowledge of our nation's heritage and the practice of democracy.

Each year V.I.C.A. attends two state conventions. The first was in Macon on October 16. The second was during the middle of April in Atlanta.

V.I.C.A. not only has deep respect for its working members, but for all students and teachers alike.

UNDERCLASSMEN

What may be said concerning underclassmen? It often happens that they do not get the credit they deserve because of the totem-pole system. The majority of the students, of course, are underclassmen. Their accomplishments are numerous, and their importance as students of Groves High School and as individuals is far greater than simply filling a seat or achieving a racial balance. The underclassmen are the future leaders of the school, community, nation — virtually of the world.

SENIORS

"We are the seniors, We want more!" was the feeling shared by the class of '72 when many of their traditional privileges were taken away. In spite of this, however, the class was a very active one. Their contributions to the school included several outstanding athletes, qualified leaders, and scholarship nominees. They, too, were the first Groves seniors to graduate from the Savannah Civic Center. We salute the Seniors of '72!

Best Of Their Final Year

[redacted] senior homeroom.

On September 23, the seniors received their class rings in an assembly held in the cafeteria.

Senior dues were set at $4 for the first year in the history of Groves. This was done to help with the expenses of graduating in the new Savannah Civic Center.

The Class of '72 had two successful money-making projects. The first of these was the powder-puff football game held at Westside Stadium on January 20. Besides being a financial success, the game was a victory for the seniors over the underclassmen by a score of 22 to 0.

On February 1, the seniors again set themselves to the task of raising money. This project, the sale of oatmeal cookies, proved to be another worthwhile effort.

The long awaited senior prom was held on May 5 in the Grand Ballroom of the DeSoto Hilton Hotel.

Final exams and practice for graduation in the new Civic Center brought the year to a close.

Many thanks go to Mrs. Betty Thomas and Mrs. Gretchen Johnson for helping to make the best of the final year and the all-important graduation evening which will ever remain a night full of priceless memories for the Class of '72.

ADVERTISEMENTS

If it were not for those who buy advertisements in the yearbook, it would be absolutely impossible to design and publish the Sentinel.

On behalf of their loyalty, we wish to express our appreciation to those indispensible patrons who made the 1972 edition of the Sentinel possible.

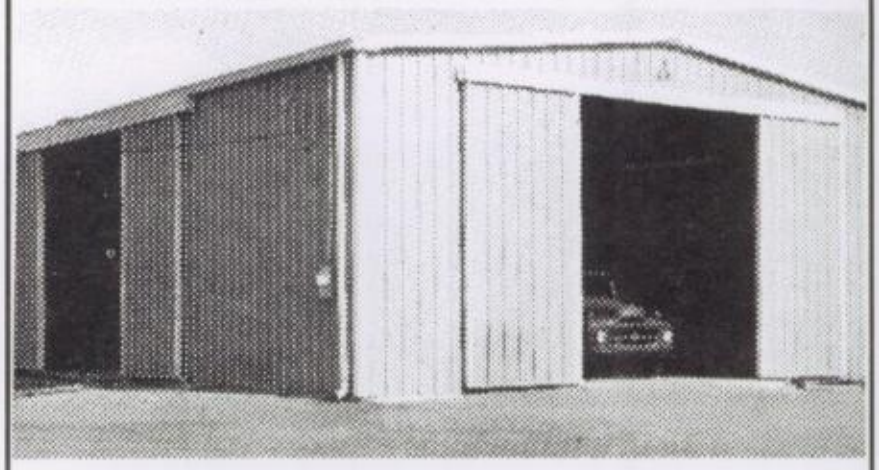
FOR A PLAIN BUILDING



Sometimes a plain building with simple lines is all that's needed to fill the bill. Workshops, storage buildings, and other structures often fall into this category. We're happy to provide them—as much so as we are to erect big, little, and fancy buildings. After all, the more Dixisteel buildings, the better.

Why on earth would they use paper to help launch a moon shot?

The paper is used in this 327-foot Apollo service tower. As honeycomb panel cores. Laminated to aluminum "skins".

The panels form the enclosing wall of the 120-foot-wide tower base. And the huge hinged gates which open and envelop the rocket during servicing.

Why paper honeycomb? Because it's incredibly strong. And incredibly light. The giant gates swing easy. And precious pounds are saved in the 32-story structure whose weight can flatten the railroad wheels below when they are not in motion.

Union Camp honeycomb has hundreds of other uses—in both commercial and residential construction. Everything from floors to walls and to roofs. Even the sky isn't the limit.

The paper for Union Camp's Honeycomb is manufactured at the huge Savannah Complex, the world's largest pulp-to-container plant.

"Give Lavishly! Live Abundantly!"

The more you give,
the more you get —
The more you laugh,
the less you fret —
The more you do
unselfishly,
The more you live
abundantly . . .
The more of everything
you share,
The more you'll always
have to spare —
The more you love,
the more you'll find
That life is good
and friends are kind . . .
For only what
we give away,
Enriches us
from day to day.

Randy,

What a privelege and a pleasure it was for me when I met you this year!! You such a sweet and cute guy!! I'll never forget your beautiful smile. Hope to see you this summer and next year!! Stay out of trouble.

Friends Forever!

Janet Vaughn

To a sweet person. I have really enjoyed being in your English + Biology class this year. We have been friends for a good while, I hope we will be for the rest of our life. Good luck in the future

Friends Always

Randy,

It's been fun knowing you this year. It's been fun knowing a real live football player. Good luck in the future and hope to see you next year.

Love,
Janice (Rebel Power)

To Randy:
A good greind and a
mean jator. See you around.
by
Steve Prewitt

Randy
well old friend here and other year of the crazy school. we had a blast of fun in math and they stupid world History classes. oh! before I forget I am sorry I were up and about work but you know my problem. Rest luck in the future with all their girls and in football.
Smile God loves you all

Randy
It has been a great pleasure
having friends with you. I think
you are very sweet & cute. Stay
that way & you will go far in the future.
Love ya,
Darlene Mixon

Alma Mater

Hail Alma Mater, hail, all hail,
We sing to you with hope and pride;
Hail to your name so great and glorious,
Always trusted, true and tried.

United we are praising thee;
Our loyalty is ever thine.
Hail to your name, dear Groves High School;
Let thy light forever shine.

Kreinen
